

Teaching Professional Growth Plan: 2017/2018

Danielle Fischer – Grade 2

Goal One		Action Plan
Use data and assessment to inform further instruction and learning, and ensure that all units, activities, and assessments are meaningfully linked to outcomes.		• Create a focus outcome for each activity and assessment – linked to mark book • Create a timeline for the completion of each outcome – in Unit plans • Use data binders to track student progress in a way that is accessible to teachers, parents, and students – use Jackie as a resource
Timeline		
October	create data binders for math, decide on tracking system for ELA, explicitly link current the activities for Math units to their focus outcomes	
November	Math and Science data binders, Math and Science focus outcomes, use data collected in a meaningful way for reporting period I	
December	Math and Science data binders, Math and Science focus outcomes	
January	Math, Science, and Social data binders, Math Science, and Social focus outcomes	
Goal Two		Action Plan
Create a strong, and deep literacy block that explicitly reflects the districts literacy plan, while incorporating cross curricular opportunities.		• Use my team and their experience to develop and effectively use literacy resources • Focus on literacy when with Jenn – how can we go deeper and differentiate for all learners • Determine a means of tracking and assessing student progress that is meaningful
Timeline		
October	Continue with Daily 3 (read to self, someone, word work), introduce words their way and link to D5 and spelling city, Unit One Lucy Calkins, low group guided reading, do F4P assessments, meet with Jenn to discuss ELA tracking and assessment	
November	Continue with the activities from above, introduce Listening to Reading in D5, guided reading for all, use data to inform report cards	
December	Continue routine develop from Sept–Dec	
January	Begin new Lucy Calkins unit, reassess what else we need to do based on student data.	

•Revisit goals in January to determine course of action for the remainder of the year.

The latest thinking on high quality gifted education is invaluable. I can be sure that I am teaching what my teachers need.

Christine Nobbe Gifted Education Specialist Rockwood School District MO The great leveler for new and veteran teachers of gifted and talented learners begins with an understanding of the foundation for the field and current best practice. This guide helps professional development specialists bring their programs in line with the same national standards that are being used in teacher candidate preparation programs.

Cindy Sheets Gifted Facilitator Shawnee Mission School District KS Reshape the professional development of teachers in gifted education. The ten NAGC CEC and TAG knowledge and skills standards represent the best research based practices in gifted education and identify what teachers of the gifted should know and be able to do. To ensure that students with gifts and talents realize their full potential, it is crucial that gifted education teachers receive ongoing professional development that reflects standards based practices. This unique resource shows PreK-12 education leaders how to plan and implement inservice training programs or realign existing programs based on the newly approved gifted education standards. Authored by the organizations that developed the standards, this volume features a wealth of helpful material for developing objectives, activities, and assessments of professional development, including four different observation instruments, a sample needs assessment survey, a sample individual professional development plan, a checklist for meeting the knowledge and skills standards, and a CD-ROM with an annotated bibliography of the research base used to develop the standards. Staff developers will be able to:

- Determine professional development objectives based on standards
- Understand and assess teacher needs
- Design and evaluate the effectiveness of activities and onsite programs
- Implement standards for addressing diversity
