

Letter of Appeal

Date:

Dear Eleanor Bell,

I have applied numerous times for my claim. I have sent and provided for all the necessary documentation that was asked but my claim was denied. I am asking to appeal for a reconsideration of my case.

I was diagnosed with severe asthma and have not been diagnosed with such prior to my current working arrangements. I have claimed in my previous application that since the renovation of our building, all the symptoms leading to my illness have started manifesting. While I am currently attending work, my health seems to be deteriorating as a result of the present conditions at the office. I am constantly in and out of medical facilities for consultations and prescription of medicine which I have been trying to claim.

Thank you for giving time and consideration on this matter.

Regards,

Jane Doe
