

TEACHING PERSONAL STATEMENT

Geographically, my life is all “over the map,” quite literally. As an adult, I have chosen desirable/interesting location over suitable employment, close distance to family, or any other factor. As a youth, I was subject to my parents’ own wanderlust ways. In order to make sense of it all, I am forced to think of my life in three segments: youth, young man, and adult life.

I was born in Montgomery, Alabama, where my father was receiving his training to fly helicopters during the Vietnam War – I was only there for three months. When my father was deployed, my mother and I lived with my Aunt Tita in Hartford, Connecticut, for the next 18 months. When my father was released from the U.S. Army (gunshot wound), he moved the family to Lynchburg, Virginia, where we lived for the next seven years. A career change for my father took us to Dayton, Ohio, where I found some stability, living for ten years and graduating from high school. I attended the University of Florida in Gainesville, Florida, earning a Journalism degree in four years. Not keen on a career, I moved for one year to Vail, Colorado, to pursue the life of a “ski-bum.” I spent another year skiing in Telluride, Colorado (it was a steeper mountain). I then moved to Bend, Oregon, where I spent a decade combining skiing with career intentions – finally finding my niche with secondary teaching.

I became interested in education at least partially for the travel opportunities, and what a ride it’s been. I have taught two years on the North Slope of Alaska (Eskimos), three years in Guatemala City, Guatemala, three years in Beirut, Lebanon, one year in Hokitika, New Zealand, and one year in Casablanca, Morocco.

I arrived three days ago on Amorgos Island, Greece. The plan is to stay a while.

Sample Teacher Personal Statement

Princeton Review (Firm)

Sample Teacher Personal Statement:

Embracing the Beat of Expression: An Mental Symphony within **Sample Teacher Personal Statement**

In a global eaten by monitors and the ceaseless chatter of instant interaction, the melodic splendor and emotional symphony developed by the written term frequently fade into the backdrop, eclipsed by the relentless noise and disturbances that permeate our lives. But, located within the pages of **Sample Teacher Personal Statement** a wonderful fictional prize full of fresh emotions, lies an immersive symphony waiting to be embraced. Crafted by a masterful composer of language, that charming masterpiece conducts visitors on a psychological journey, skillfully unraveling the concealed songs and profound impact resonating within each cautiously constructed phrase. Within the depths of the poignant examination, we can discover the book is central harmonies, analyze their enthralling publishing type, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
