1. When you are installing or using the software, you need to close all the Anti-Virus software first.
2. After installed, you can go to the setting of anti-virus software and find the Exclusions section, add the NLS software to an Exclusions list. Then the antivirus software won't bother you anymore. (Actually, there is no virus in the software, because our software is encrypted and the anti-virus consider it is virus.)
3. Use the USB cable connect the NLS device to your computer.
