Liberation of Dogma Juan L. Segundo, 2004-08-04 In a playful foreword that isn't Juan Luis Segundo calls his present work posthumous both because the sensitivity of the topic puts any future works in jeopardy and because it provides the logical key to all his previous theological work Thirty years a theologian Segundo has tried to interpret the meaning of the gospel for believers today One of the pioneers of Latin American liberation theology he has tried especially to discern the relevance of faith to the emancipation of human beings from conditions of oppression In *The Liberation of Dogma* he turns to foundational questions of Christian faith seldom addressed by liberation theology the meaning of revelation and its articulation in dogma Beginning with a brilliant historical survey of the development of scripture Segundo lays the basis for his understanding of revelation as a process of divine pedagogy an interaction between God and the human community in which the latter learn how to learn The subsequent history of dogma reflects a continuation of the biblical story as the church learns to test and apply paradigms of faith to the challenges of an unfolding cultural and historical situation Segundo examines the collision that occurred in the Middle Ages when Greek dogmatic formulations carefully worded to address problems posed by Hellenistic culture were imposed on the new barbarian tribes as ready made truths This resulted in the loss of a dynamic understanding of revelation and faith from which the church has only emerged since Vatican II In his conclusion Segundo develops a theology of revelation attuned to the

signs of the times a perspective influenced by the experience of Latin America's base communities According to Segundo Knowledge of God as revealing something occurs to us when we are discovered to have a historical sensitivity that converges with God's own intentions It is from a perspective and practice attuned to the Reign of God that we are free to discern God's revelation in history today *Infinite Impact* Stu Weber, 2007 Too many of us are passive participants in our own story We roll through life without a plot No real character development No sense of transcendence that connects to history or extends beyond the present The devil is in the default wasted motions directionless sitcom and an unremarkable legacy of vapor Thankfully there is a better script The impact of a single life can extend far beyond the time and space it occupies thanks to God's gracious invitation to join Him in the only eternal story Everything that has happened up until now has purpose for your life Your heritage your gifts the people around you the very path you've traveled none of it is accidental In this book bestselling author Stu Weber will help you take inventory challenge you to think beyond your lifespan and plan your impact so it echoes for eternity **Harlequin Special Edition March 2017 Box Set 1 of 2** Marie Ferrarella, Wendy Warren, Rachael Johns, 2017-03-01 Harlequin Special Edition brings you three new titles for one great price available now These are heartwarming romantic stories about life love and family This Special Edition box set includes *Fortune's Second Chance Cowboy* by Marie Ferrarella The Fortunes of Texas The Secret Fortunes Young widow Chloe Fortune Eliot falls for Chance Howell an ex soldier with PTSD but will their fear of another heartbreak stop them both from seizing a second chance at love *Kiss Me Sheriff* by Wendy Warren The Men of Thunder Ridge Even as Willa Holmes vows not to risk loving again after a tragedy she finds herself the subject of a hot pursuit by local sheriff Derek Neel Can she escape the loving arm of the law Does she even want to *Pregnant by Mr Wrong* by Rachael Johns The McKinnels of Jewell Rock When anonymous advice columnist and playboy Quinn McKinnel receives a letter from *Pregnant by Mr Wrong* he recognizes the sender as Bailey Sawyer his one night stand and has to decide whether to simply fess up or win over the mother of his child Look for Harlequin Special Edition's March 2016 Box set 2 of 2 filled with even more stories of life love and family Look for 6 compelling new stories every month from Harlequin Special Edition
