To Whom It May Concern,

I have known Stephanie Williams for the past year both as a substitute teacher and as a student teacher. I am a special education teacher in an inclusion classroom and Mrs. Williams has substituted for me and in the classrooms that I share. She completed her student teaching in the second grade inclusion classroom that I co-teach in, so we worked together daily. Mrs. Williams comes to school every morning bright, confident, and prepared for the day ahead.

As a substitute teacher, Mrs. Williams has handled classroom situations in all areas of Green Run Elementary in a very capable manner. She seems comfortable in most classrooms and always has a "bag of tricks" prepared in case lessons run short. When she has been a substitute for me she has completed all lessons, and my classroom is in order the next morning. When she has substituted in the inclusion classroom she has been capable, confident, and able to teach any lesson left for her.

As a student teacher, Mrs. Williams immediately developed a fabulous rapport with the students while encouraging appropriate behavior at all times. She took over the reins of teaching seamlessly, incorporating technology, group activities, and hands on learning. Her lessons and units are well planned and complete. On one of our snow make-up Saturdays, Mrs. Williams planned an entire day around our unit on China. She included activities from all of the subject areas around our theme and even dressed in a Chinese silk robe. In our inclusion classroom we have several students with moderate to severe behavior problems which Mrs. Williams handled with aplomb.

I would highly recommend Mrs. Williams for any teaching position and would love the opportunity to work with her again.

Regards,

Jacqueline Stanford
