Chronological Bible Reading Guide Jane Becker Weathers, 2020-12-02 Chronological Bible Reading Guide presents the arrangement of events recorded in the Bible in sequential order to help us better understand how time flows through and joins or occasionally

separates these sixty six individual books When seen in context with the historical political and religious settings we can better understand the different lessons told in different styles and literary forms including poetry prophecy and epistles as they are intertwined with history These readings are grouped by chapter and while this does not provide a perfect chronology if that is even possible it comes fairly close and helps retain some of the original authors flow when switching between books The daily readings provide a guide through the entire Protestant canon in one calendar year Or read at your own rate through God s word of truth This guide is the result of more than a decade of personal study in Biblical history and fine tuning the daily readings to maintain a consistent reading time Invest 10 15 minutes a day to increase your faith and understanding of Scripture Faith comes from what is heard and what is heard comes through the message about Christ Romans 10 17 The word of God is more desirable than gold than an abundance of pure gold and sweeter than honey which comes from the honeycomb Psalm 19 10
