British Books, 1900 Inside Out David Henderson, 2016-11-02 This book is written for my sons and is a patchwork of my thoughts, prayers, journal entries, and emails. These emails, etc., were written to family friends and the youth group students I have had the privilege of getting to know and love for the past 25 years. Some of the questions I get are about creation, evolution, the deity of Christ, the end times, as well as personal issues such as sexual purity and how to live a holy life. Part of the book is also about the journey God has brought me through in my personal life. My hope is that however God uses this book, that it pleases and glorifies Him.

Red on Red Craig S. Womack, 1999 How can a square peg fit into a round hole It can't How can a door be unlocked with a pencil It can't How can Native literature be read applying conventional postmodern literary criticism It can't That is Craig Womack's argument in *Red on Red* Indian communities have their own intellectual and cultural traditions that are well equipped to analyze Native literary production These traditions should be the eyes through which the texts are viewed To analyze a Native text with the methods currently dominant in the academy according to the author is like studying the stars with a magnifying glass In an unconventional and piercingly humorous appeal Womack creates a dialogue between essays on Native literature and fictional letters from Creek characters who comment on the essays Through this conceit Womack demonstrates an alternative approach to American Indian literature with the letters serving as a Creek chorus that offers answers to the questions raised in his more traditional essays Topics range from a comparison of contemporary oral versions of Creek stories and the translations of those stories dating back to the early twentieth century to a queer reading of Cherokee author Lynn Riggs's play *The Cherokee Night* Womack argues that the meaning of works by native peoples inevitably changes through evaluation by the dominant culture *Red on Red* is a call for self-determination on the part of Native writers and a demonstration of an important new approach to studying Native works one that engages not only the literature but also the community from which the work grew
