Junior Graphic Mavis Kitcher (Mrs), 2014-04-23 Learning, Design, and Technology J. Michael Spector, Barbara B. Lockee, Marcus D. Childress, 2023-10-14 The multiple related fields encompassed by this Major Reference Work represent a convergence of issues and topics germane to the rapidly changing segments of knowledge and practice in educational communications and technology at all levels and around the globe There is no other comparable work that is designed not only to gather vital current and evolving information and understandings in these knowledge segments but also to be updated on a continuing basis in order to keep pace with the rapid changes taking place in the relevant fields The Handbook is composed of substantive 5 000 to 15 000 words peer reviewed entries that examine and explicate seminal facets of learning theory research and practice It provides a broad range of relevant topics including significant developments as well as innovative uses of technology that promote learning performance and instruction This work is aimed at researchers designers developers instructors and other professional practitioners **Felimanuel Series** Emmanuel Gbireh, 2012-10-29 It is chiefly through books that we enjoy intercourse with superior minds In the best books great men talk to us give us their most precious thoughts and pour their souls into ours God be thanked for books They are the voices of the distant and the dead and make us heirs of the spiritual life of past ages Books are true levelers They give to all who will faithfully use them the spiritual presence of the best and greatest of our race William Ellery Channing Some of the things you will discover in Felimanuel Series The Magical Secret to Success in English Language Essay Writing for Junior and Senior High Schools Volume 1 With Bonus Success Secrets The book is comprehensively logically and coherently written and the language used is also easy to understand hence little or no further explanation is needed The book teaches how to choose examination questions and answer them without sweat Sample outlines plans and sample essays have been written to guide pupils and students The bonus success secrets will help pupils and students to pass in all seemingly difficult subjects like mathematics and science The bonus success secrets will also guide pupils and students towards the attainment of greater success in life The book has been designed in such a way that it can be used for examination purposes and for other practical uses in the day to day life of whoever uses it faithfully In writing this book on English Language essay writing I decided to move away from the traditional way of some authors flooding their English Language essay writing books with so many sample essays based on my experiences as an English teacher some years back Many pupils students have the habit of memorizing written essays found in books and reproduce them during examinations class exercises or when given project home work when they see that the question being asked is similar to the answered one they came across I hope the experts in the educational sector will agree with me that this does not augur well for the proper development of the child because he she would not have the opportunity to think and plan on his her own before writing a script with originality I stand to be corrected if I am mistaken It is in line with this that I have given only single sample essays per essay topic treated with more suggested

outlines plans Most people often fail to plan their lives and this usually have disastrous effects on them Also in writing examination most candidates fail to plan their essays before answering selected questions As the old adage says If you fail to plan you plan to fail It is based on the above that in writing this book I dedicated the first chapter to the basics of essay writing Below is an excerpt of chapter one of the book After highlighting on the basics of essay writing I went ahead to discuss what paragraphs are and how they can be used in our daily writings This is followed by the use of punctuation marks Here again I have given a comprehensive write up as to how punctuation marks can be used to enrich our written works Other topics covered in the book are writing of narrative essays descriptive essays friendly letters semi formal letters summary writing argumentative essays speeches and talks report writing articles for publication expository essays and advertisement After a comprehensive logical and coherent treatment of each topic I followed up with sample questions outlines plans and essays These are only to serve as a guide to users of the book I will like to take this opportunity to entreat teachers to encourage pupils students whom they teach to learn how to write an outline plan and to use it when answering essay related questions not only with English language but with all other subjects that they deem it fit to apply Some people may not see the usefulness of the outline plan but it helps the pupil study

Dilemmas of Culture in African Schools

Cati Coe,2005-11 In working to build a sense of nationhood Ghana has focused on many social engineering projects the most meaningful and fascinating of which has been the state's effort to create a national culture through its schools As Cati Coe reveals in Dilemmas of Culture in African Schools this effort has created an unusual paradox while Ghana encourages its educators to teach about local cultural traditions those traditions are transformed as they are taught in school classrooms The state version of culture now taught by educators has become objectified and nationalized vastly different from local traditions Coe identifies the state's limitations in teaching cultural knowledge and discusses how Ghanaians negotiate the tensions raised by the competing visions of modernity that nationalism and Christianity have created She reveals how cultural curricula affect authority relations in local social organizations between teachers and students between Christians and national elite and between children and elders and raises several questions about educational processes state society relations the production of knowledge and the making of Ghana's citizenry

The Impacts of Language and Literacy

Policy on Teaching Practices in Ghana Philomena Osseo-Asare,2021-03-15 This text critically examines changes in Ghanaian language and literacy policy following independence in 1957 to consider its impacts on early literacy teaching By adopting a postcolonial theoretical perspective the text interrogates the logic behind policy changes which have prioritised English local language or biliteracy It draws on data from interviews with teachers and researcher observation to demonstrate how policies have influenced teaching and learning Dr Osseo Asare's findings inform the development of a conceptual framework which highlights the socio cultural factors that impact the literacy and biliteracy of young children in Ghana offering solutions to help teachers combat the challenges of frequent policy changes This timely monograph will prove
