

Dear Principal:

It is my pleasure to recommend Laura Lynn as a teacher for your school. She is licensed and certified to teach kindergarten through third grade and I can promise you that she is a teacher of extraordinary talent and dedication. I have first-hand experience with Laura's work in the classroom. I am not only a member of the local school board, but my son was in Laura's second grade class last year.

Laura sets high, but not unreasonable, standards for her students and then she gives them the tools to succeed. Students are motivated and intellectually stimulated in her classroom and her successful teaching techniques are reflected in her students standardized test scores.

An insightful educator, Laura recognizes early on when a student is struggling in her class and she takes steps to give the student extra help before or after school, meets with parents to solicit help at home or recommends special testing and tutoring to get the student up to speed. She cares deeply about each child in her class and works hard to make sure no one is left behind.

Our school system wills Miss Laura Lynn's many teaching talents but she will be following her husband to Texas where his company has transferred him. I hope you will seriously consider hiring Laura to teach in your school. I am confident that you will be pleased with her abilities. Please feel free to contact me for further information at 555-555-5555 or by email at email@email.com.

Sincerely,

XYZ
