Sponsor Request Letter

Dear Business Owner:

Let me take this opportunity to introduce you to the **VISTA DYNAMO Youth Soccer Team**. We are a newly established team from the Centreville area, strongly in support of the development of boys' soccer skills, as well as encouraging positive involvement in society. Our goal is to provide an instructive environment to the kids, as well as fielding a competitive team that enjoys success locally and regionally.

We are offering an opportunity to local businesses like yours to become Team Sponsors. Your contributions will be targeted exclusively to lessen the growing costs of the team, enabling all members to fully participate in Team training programs, VISTA Youth Soccer League games, and local and regional tournaments.

The VISTA DYNAMO Youth Soccer Team is guided by a volunteer team of coaches and dedicated parent volunteers. Our primary revenue source is registration fees paid by families and donations received from generous individuals and businesses. Since these funds do not cover all of the team's operating expenses, our players' families often must raise their own funds to pay for equipment, training fees, travel, and tournament entry fees. **The average cost per player per year to participate in all activities is \$1,000, particularly difficult for families with more than one player and/or modest means.**

In order to continue to make this rewarding experience a reality for our youth, we are reaching out directly to area businesses, family, and friends, **and offering the opportunity to help by becoming a team or club sponsor!** While any sponsorship level you select will be greatly appreciated, a donation of \$300 or more will earn you a Proud Team Sponsor Plaque with a photo of a team to display on your office wall, a valuable marketing tool as well.

Please take a moment to review and select the sponsorship package that best fits your business and budget.

Respectfully yours,

Krist Seuntjens
Team Manager

Some People Want to Shoot Me Madelaine Dickie, Wayne Bergmann, 2024-02-27 I've spent the majority of my life fighting for the rights of Traditional Owners. This has put me in the firing line. But I chose this job. I chose this political path. My family did not. Wayne Bergmann. It's Broome. 2010. Nyikina man. Wayne Bergmann has just received a death threat. His wife has watched a friend cross the road to avoid speaking with her. His children are subject to intense schoolyard bullying. Bergmann, a boilermaker by trade and lawyer, is chief executive of the Kimberley Land Council during the controversial James Price Point gas hub negotiations. It's an event that will tear the Broome community apart. Wayne's story starts on Nyikina country and encompasses backbreaking station work, buried treasure, a Swedish bone thief, and traditional magic love songs. His is an electrifying tale of resilience, determination, and optimism, which shows what it takes to be an Aboriginal person walking in two cultures in a country where racism runs deep. **Management Communication** James S.

O'Rourke, 2023-03-30 This new edition of *Management Communication* is a case-based textbook that introduces students to the strategic communication methods that are crucial to master in order for them to develop into effective and ethical managers at all levels of business. Effective communication skills are necessary for success in the business world, and James O'Rourke has written a highly readable book filled with anecdotes and examples to engage students in the learning process. This seventh edition includes both classic and new features. The strategic approach is integrated throughout the book, allowing students to understand how a communicated message affects the business as a whole. New case studies provide students with hands-on experience of scenarios they will encounter in the real world, looking at global companies such as Facebook and Nike. Further updates include new content on technology, corporate culture, and disinformation. An ethical thread is woven through the text, demonstrating how ethical decision-making can be applied in all aspects of communication. Chapters on intercultural communication, nonverbal communication, and conflict management provide students with the skills to build relationships and influence stakeholders, key skills for any manager. This text will provide students with a well-rounded understanding of management communication, and the support material ensures it serves as a complete resource for instructors.
