Letters are organized into chapters by category, and a detailed table of contents guides you quickly to the one that best suits your needs. Each is accompanied by useful information including how to format, design, print, and deliver your correspondence for best effect. This revised edition contains more help than ever with an expanded introduction to letters, faxes, and e-mails with new tips on the best use of each. Guidance on the nuances of e-mail including how to avoid common pitfalls. Dozens of additional sample e-mail formats to meet today's communication needs. More focused directions for organizing your thoughts and composing even the toughest kinds of correspondence.

**Professional SharePoint 2007 Development** John Holliday, John Alexander, 2007-06-12 Beginning with an introduction to the technologies in Microsoft's application platform, this guide goes on to highlight the technologies in SharePoint 2007 which are new for developers.

**Beginning SharePoint 2007** Amanda Murphy, Shane Perran, 2011-08-08 Microsoft Office SharePoint Server 2007 has improved and changed dramatically over previous versions of the product. The capabilities of the platform have expanded greatly with the inclusion of an automated workflow engine, web content management capabilities, and a vast number of document management enhancements. However, the value of this tool to an enterprise will depend primarily on the ability of individuals in the organization to understand the features and capabilities of the platform and effectively map those to specific business requirements. This book is designed to mentor and coach business and technical leaders in an organization on the use of SharePoint to address critical information management problems. It gives detailed descriptions and illustrations of the product's functionality and also includes realistic usage scenarios to provide contextual relevance and a personalized learning experience to the reader. The mission of this book is to provide extensive knowledge to information workers and site managers that will empower them to become
