Biblical Discipleship Study Guide: Essential Components for Attaining Spiritual Maturity Dr. Todd M. Fink,2016-05-18 This 16 Week Study Guide is exceptionally practical and life transforming It is taken from the main book Biblical Discipleship Essential Components for Attaining Spiritual Maturity However it is a stand alone book study that is designed to be used on its own Its purpose is to take the 14 core principles of discipleship and put them into practice Today we have many ways of defining success in life Some define it

as being a sports hero others as being wealthy others as being popular and well liked and still others as being happy How does God define success He defines it as being spiritually mature *Seeking the Lost, Keeping Them, Making Them Disciples* Dr. Benoit Petit-Homme, 2018-08-27 Seeking the Lost Keeping Them Making Them Disciples By Dr Benoit Petit Homme God bless Dr Benoit Petit Homme for all the work he has done in putting this book together I believe that any church or leader who will follow these biblically grounded principles will see beautiful results in changed lives for the kingdom

Teresa L Reeve PhD Associate Dean Seventh day Adventist Theological Seminary Associate Professor of New Testament Contexts Andrews University United States of America Dr Benoit Petit Homme s contribution to the discipleship crisis is a compelling re examination of scripture church history and 21st century pastoral experience Practical and convincing his straightforward style brings real solutions to the evangelistic Achilles heels of attrition He reminds us of what has been forgotten and calls us back to our relational roots Pr Ron Kelly Senior Pastor Village Seventh day Adventist Church Berrien Springs Michigan United States of America Seeking the Lost Keeping Them Making Them Disciples by Dr Benoit Petit Homme is a handy Christ based discipleship resource that will contribute to the mission of training and equipping church ministry leaders in the evangelistic work of reaping retaining and nurturing new believing Christians This is a must read for church officers pastors and ministry directors in the Christian church Ron C Smith PhD D Min President Southern Union Conference of SDA Every year many thousands of people hear the Good News of Jesus Christ and choose to be baptized and join a church community Unfortunately it is also true that every year many new converts leave a church relatively shortly after joining The specific reasons that each person leaves the church could fill a book by themselves but they all boil down to one thing a lack of focus on the part of the church community on turning converts into disciples of our Savior A disciple of Christ does more than attend church services A disciple is an active member of the church community A disciple is a witness to others A disciple seeks to grow the church by seeking to lead everyone they meet to Christ Dr Benoit Petit Homme is a committed disciple of Christ and after extensive study of exactly why new converts leave the church he has developed a process by which any church can make disciples All it takes is a little extra work a bit of encouragement and an unwavering faith in the Lord

Valleys Kat Armstrong, 2023-01-17 These studies guide you through the storyline of Scripture each following a person place or thing in the Bible Maybe you are practiced in dissecting a passage and pulling things out of the text to apply to your life But now you may feel as though your faith is fragmented The Storyline Bible studies help you put the pieces back together You'll discover cohesive thematic storylines with literary elements and appreciate the Bible as the masterpiece that it is Each study is five weeks long and can be paired with its thematic partner for a seamless ten week study to fit in a church semester Every study features Gospel presentation at the beginning of each Bible study Full Scripture passages included in the study so that you can mark up the text and keep your notes in one place Insights from female scholars and scholars of color Free resources for preaching and leading small groups Valleys in the Bible have far more meaning than just as geographical markers or pins on an ancient map In his literary genius God repurposes valley settings throughout Scripture to signal tests of faith and deepening of confidence in the One who is with us in the valley In Valleys we're going to explore Numbers 13-14 the Valley of Eshkol where spies scouted the Promised Land Judges 4-5 the Valley of Kishon where Deborah and Jael defeated the enemy 1 Samuel 17 the Valley of Elah where David fought Goliath Psalm 23 the Valley of Death where God comforts scared people Ezekiel 37 the Valley of Dry Bones where Ezekiel prophesied of Israel's restoration

Colossians: An Earth Bible Commentary Victoria S. Balabanski, 2020-01-23 Vicky Balabanski analyses Colossians as a co-authored letter written during Paul's Roman imprisonment by Timothy with the input of Epaphras and sent with Paul's introductory and concluding greetings Balabanski sees remarkable resonances between the cosmology of this letter and that of Stoic thought the most widely held philosophy in first century Asia Minor Drawing upon the way Stoic thinkers saw the divine Spirit permeating reality and sought to attune their lives to the Logos divine reason she argues that the Logos of Christ the Gospel was welcomed by small groups of people shaped by Stoic thought and they experienced Christ as the visible expression of the One God who permeates reality The Letter to the Colossians has the highest view of Christ of any of the New Testament writings and its theology of divine permeation invites us to notice the ecological potential of this letter This Eco-Stoic reading brings contemporary ecological questions into dialogue with the distinctive Christology and cosmology of the letter

The Poetics of Visuality Justin J. White, 2024-11-14 Justin J White explores the nature of images in ancient Israel through a reconceptualization of the relationship between image and text He proposes that in ancient Israel texts evoked images as a core part of their rhetoric Rather than conceptualizing texts and images as ontologically or functionally distinct media he argues that both media are mixed media even while neither medium is reducible to the other In order to make this argument he focuses on the visual aspects of

textual rhetoric what he terms the poetics of visuality He builds his argument across three text specific axes of visual rhetoric ekphrasis the visual imagination and material agency He makes the claim that each of these three axes are endemic to Israelite literature and mutually contribute to the formation of a robust ontology of visual representation in ancient Israel
