**The Army Medical Department, 1917-1941** Mary C. Gillett, 2009 From the Book's Foreword Long awaited Mary C Gillett's final work *The Army Medical Department 1917-1941* complete her four volume study covering the years from 1775 to 1941 Although the Medical Department had improved medical standards and practices because of the latest advances in scientific medicine and was making significant progress toward creating an organizational structure and a supply system able to handle the demands of a conflict of any size its reserves of trained personnel and supplies were seriously inadequate when the nation entered world War I in the spring of 1917 The narrative first describes the struggle of an unprepared department to meet the myriad demands of a war unprecedented size and complexity then follows postwar efforts to meet the needs of the peacetime army during nearly two decades of continental isolationism and budgetary neglect and finally covers the brief period of growing awareness of America's involvement in another major conflict and the intensive preparation efforts that ensued

Threat investigates the parallel battles against occupational segregation by African American women and white men in the U S Army As Threat reveals both groups viewed their circumstances with the Army Nurse Corps as a civil rights matter Each conducted separate integration campaigns to end the discrimination they suffered Yet their stories defy the narrative that civil rights struggles inevitably arced toward social justice Threat tells how progressive elements in the campaigns did indeed break down barriers in both military and civilian nursing At the same time she follows conservative threads to portray how some of the women who succeeded as agents of change became defenders of exclusionary practices when men sought military nursing careers The ironic result was a struggle that simultaneously confronted and reaffirmed the social hierarchies that nurtured discrimination *The Medical Department of the United States Army in World War II*.
