Rainbow's Shadow and the Tablets of Fate John Cicero, 2006-03-09 Rainbows Shadow

and the tablets of fate is an adventure fantasy tale about two novels Rainbow Alley and The Sorcerers Shadow which have been mysteriously melded together creating an alternative dimension that has begun to write itself The first novel Rainbow Alley is a mythical and magical novel of pure paradise as told and written by Joseph Collins to his grandson Will Collins The second novel The Sorcerers Shadow is an adventure filled novel full of evil sorcery and mayhem spewed throughout its pages and is the favorite story of Wills brother Bryan Collins As these two novels unify they become more than mere pages as a blend of good and evil begin to emerge into reality Rainbow Alley is a surreal paradise Grandpa Joe has claimed to actually visited when he was younger It can only be accessed through a golden portal by bringing four critical elements together One magical night as the four elements are sought to come together to gain access to Rainbow Alley the unthinkable happens By accidentally placing The Sorcerers Shadow novel underneath the Rainbow Alley novel during the joining of only three of the four critical elements Bryan has unknowingly set off the melding of these two stories This creates their access to a new story and a land unlike anything the boys could ever imagine However this access would prove to be near fatal for Grandpa Joe as he is stricken by a mythical force that sends him into a mysterious coma Will and his best friend and neighbor Jimmy Foster set off on a journey through the golden portal and into the merged stories in an effort to save his stricken grandfather While in this new and sometimes foreboding and pleasurable land Will is driven by a voice claiming to show him the way to heal his grandfather What the boys encounter is incomprehensible as they experience a blend of paradise infiltrated by evil sorcery and mayhem first hand

Me and My Shadows Lorna Luft, 2015-12-21 The question follows Lorna Luft to this day What is it like to be Dorothy's daughter Although by appearances glamorous and truly thrilling growing up as the daughter of Judy Garland was anything but a journey over the rainbow With unsparing candor Lorna Luft offers the first ever insider portrait of one of Hollywood's most celebrated families a rare story of a little girl her half sister Liza and her baby brother trying desperately to hang on to the mother whose life seemed destined to burn brightly but briefly Lorna makes an extraordinary journey back into the spiral of love addiction pain and loss that lurked behind a charmed facade Filled with behind the scenes dramas hilarious untold stories and little known details of Garland family life Me and My Shadows is a tribute to Lorna's victory over her own past a story of hope of love and its limitations and a deeply moving testament to the healing powers of embracing one's past and charting a course of self love and discovery
