Devotional is the complete Bible We have removed the verse numbers from the text itself which gives an almost poetic feel to the Scriptures as you read while maintaining the chapter and verse references ahead of each day s portion of Scripture This enables you to reference and study the Scriptures in a more in depth manner Inside you will find an average of twenty three New Testament verses seven Psalms verses three Proverbs verses and fifty five Old Testament verses per day While I never recommend rushing through your time with our Lord I felt it important to make each day s readings and portions as equal as possible allowing you to set times throughout the day for reading in order to regroup or refocus on your task at hand Look for and expect to hear from our Lord Look for God to move in your life more and more as you draw closer to Him daily **Life**

Shri Sai Sharanagathi Sunanda Ananth,2017-07-13 Life is like an educational institution where the nuances of living in peace and tolerance are self taught The events in our lives are pre destined and without exception each individual has to face the highs and lows of life This is a continuous process in which none are to be blamed in particular God In reality it is our Karma that pushes up or pulls us down The will of God will never take you where the grace of god will not protect you Sunanda Ananth the author found herself posed with questions quite often by her friends and other Sai devotees Why is it that we suffer despite being pious What wrong have we done Why does not God come to our rescue and so on and so forth Pondering over these questions her quest for the answers began At this juncture a spiritually acclaimed person came into her life to guide her in her quest Popularly known as Udi Baba alias the Late Sri Manickam he mentored Sunanda towards deep

spirituality and contributed significantly to her progress in this path Sunanda had always been a motivational speaker and during her interactive sessions she came to understand that for many devotees devotion was superfluous and need based Through her personal interaction she strives to make Sai devotees realise that unwavering faith and unconditional surrender are the foundations to spirituality We only need to cleanse our minds to realise the presence of Sai within us Taking her inspiration and guidance from the sacred text Shri Sai Satcharita and other related and trusted writings on the life and leelas of Sai Baba the author seeks to empower Sai devotees with the contents of this book This book has been conceived with a new approach where a review after each chapter attempts to answer some of the queries likely to arise to the reader
