Rasul,2022-11-03 Travel gently in the darkness and never lose yourself Most people say that life rewards those who work hard for it That dreams will manifest if you believe and through consistent work or perseverance But if you are someone who suffered with infertility for a decade no amount of determination and hard work can take you to the finish line That s one of the hardest lessons that Chatty Rasul discovered in her journey The Unfamiliar Road is about the author s journey to self discovery self acceptance and finding faith while navigating through the dark road of infertility and infidelity This is another story of overcoming obstaclesaEURhow to perceive things in a different light and turning one s brokenness into blessings What looks like a double dose of misery is actually a double dose of blessings When you are walking the path of unfamiliar crossroad and sufferings you thought it s the end of your world You thought you will never make it You thought you are all alone in your suffering You lose your joy and hope And you lose yourself in the process No matter how great and deep the hurt is with God s grace healing is possible You will learn that God has designed this world of challenges or adversaries for one s ultimate purpose
