

Saying Goodbye to a Pastor

Poems

*As you depart this place of grace
We offer you this parting phrase
May God's own hand guide all your ways
And keep you safe all of your days.*

*You've been a light in darkest night
And shown us all the path of right
And though we'll miss you when you're gone
Your spirit will still linger on.*

The Last Generation of English Catholic Clergy Tim Cooper, 1999 Traces the careers and fortunes of the last priests ordained before the Reformation A central paradox of the English reformation is that the call to the Catholic priesthood was never more eagerly answered than on the very eve of religious upheaval In this important new study based on the records of the third largest diocese in the country covering six counties of the midlands and north west Dr Cooper traces the careers of the pastoral clergy from their preparatory education through ordination and job hunting to the writing of their wills often in ripe old age and having served a single parish through the entirety of the main period of reform In this

highly clericalised society in which ten new priests were ordained each year for every arising vacancy it was those priests without livings who were the main point of contact between the church and its people This clerical proletariat and indeed the majority of parochial incumbents emerge as conscientious servants of their native communities distinguishable from their neighbours by virtue of their sacramental function rather than their social backgrounds and general concerns Throughout the book argues that the parish clergy whose services were in greater demand than ever before were remarkably well integrated into the communities they served and that popular anticlericalism as an explanatory factor of the English reformation is difficult to sustain Dr TIM COOPER has taught history at the universities of Sheffield Manchester and Hull
