Questions About Cuban Music Lesson Plans:

The Question of Class in Contemporary Latin American Cinema María Mercedes Vázquez Vázquez, 2020-07-06 The Question of Class in Contemporary Latin American Cinema responds to the renewed interest in class within and outside academia by examining the aesthetics and politics of class in a representative selection of films from the contemporary cinemas of Venezuela Cuba Mexico Brazil and Argentina It explores the relationship of cinematic practices to conflicting socio political transformations taking place in these five countries such as the intensification of neoliberalism the Turn to the Left and the growth of the middle classes in the period from 2003 to 2015 Utilizing a critical comparative method it sheds a critical light on the presumed depoliticization or new aestheticized politicization of contemporary Latin American cinema The combined textual and industrial analyses of films from strikingly different cinemas and directors through the lenses of class allows for a contextualization of this trend and the observation of its limitations Furthermore this book distinguishes cinematic figurations that correspond to new conceptualizations of class introduced in social studies from figurations of class that have yet to be conceptualized

World Music Pedagogy, Volume VII: Teaching World Music in Higher Education William J. Coppola, David G. Hebert, Patricia Shehan Campbell, 2020-08-30 World Music Pedagogy Volume VII Teaching World Music in Higher Education addresses a pedagogical pathway of varied strategies for teaching world music in higher education offering concrete means for diversifying undergraduate studies through world music culture courses While the first six volumes in this series have detailed theoretical and applied principles of World Music Pedagogy within K 12 public schools and broader communities this seventh volume is chiefly concerned with infusing culture rich musical experiences through world music courses at the tertiary level presenting a compelling argument for the growing need for such perspectives and approaches These chapters include discussions of the logical trajectories of the framework into world music courses through which the authors seek to challenge the status quo of lecture only academic courses in some college and university music programs Unique to this series each of these chapters illustrates practical procedures for incorporating the WMP framework into sample classes However this volume like the rest of the series is not a prescriptive recipe book of lesson plans Rather it seeks to enrich the conversation surrounding cultural diversity in music through philosophically rooted social justice conscious and practice oriented perspectives
