Holt McDougal Civics in Practice Gregory I. Massing, Holt McDougal, 2009 The United States is a model of freedom democracy and economic strength for the rest of the world Our continued success as a world leader depends on whether citizens like you take an active part in our government and institutions This Civics program helps you foster student civic responsibility with a balanced approach that focuses on the principles of government active citizenship and responsible economic participation Throughout Holt Civics in Practice you will find special features that will help you understand more about your roles in your country and community Many of these features were developed with our partners the Center for Civic Education and the World Almanac Education Group From the publisher **Civic Education** Richard G. Niemi, Jane Junn, 2005-05-11 Sound democratic decisions rely on a citizenry with at least a partial mastery of the rules and workings of democratic government American high schools where students learn the basics of citizenship thus ought to play a critical role in the success of democracy Yet studies examining the impact of high school government and civics courses on political knowledge over the past quarter century have generally shown that these courses have little or no effect In this important book Richard G Niemi and Jane Junn take a fresh look at what America s high school seniors know about government and politics and how they learn it The authors argue convincingly that secondary school civics courses do indeed enhance students civic knowledge This book is based on the most extensive assessment to date of civic knowledge among American youth the 1988 National Assessment of Education Progress NAEP Civics Assessment The authors develop and test a theoretical model to explain the cognitive process by which students learn about politics and they conclude by suggesting specific changes in the style and emphasis of civics teaching Civics in Practice , 2009-10-21 The United States is a model of freedom democracy and economic strength for the rest of the world Our continued success as a world leader depends on whether citizens like you take an active part in our government and institutions This Civics program helps you foster student civic responsibility with a balanced approach that focuses on the principles of government active citizenship and responsible economic participation Throughout Holt Civics in Practice you will find special features that will help you understand more about your roles in your country and community Many of these features were developed with our partners the Center for Civic Education and the World Almanac Education Group Publisher Democracy, Rights and Responsibilities , 1970
