Quick Guide To French:

French For Beginners Fabien Arnaud , Ready To Learn The French Language quickly and in a practical way There s just something about French that is just utterly sexy Even if you are just discussing how bad the weather is or just describing the peculiarities of a wooden spoon saying it in French somehow transforms the mundane into the ethereal Maybe it s the passage of air through the nose when pronouncing Champs Elys es or the sophisticated accent when ordering un croissant s il vous pla t but saying things in French can be a rather magical experience Why learn French You may have your own personal reasons for learning this lovely but also complicated language maybe you re going for an exchange student program for a trip to Paris or to bea able to understand a French movie There will be a lot of other reasons for you to learn French This book will help you to your journey in French Don t rush through the book You can start with a lesson a day and then use and practice what you learned immediately Don t wait until you get to France to actually start speaking French Once you get through each lesson get a friend or just about anybody you can practice French with and start gabbing away The point of language is that it should be used not just learned Here s some topics covered in this book French pronunciation Verbs Useful Everyday expressions Conversations And much more Get your copy now Read less **Learn French for Beginners** DuPont Language Institute,2019-11-12 Do you want to learn French Language but you don t know where to start from Are you confused by the number of different books available on the market Search no further read below and you will find why this is the book for you You have probably heard that learning your first foreign language is always the hardest and that each subsequent language is easier than the last The reason is related to the fact the fact that experienced language learners discover how to learn a language Through trial and error learning one language after the next it becomes apparent what is effective for the learner and just as importantly what is not effective for them Notice the two little words at the end of the last sentence for them When we talk about what is effective in language learning it may be a clich but it is absolutely true to say that every person is different and learns languages in different ways and this goes for every aspect of the learning process The only way to become a successful language learner is to discover what works for you one step at a time Having said that it can help to take inspiration from others who have successfully learned languages and there exists a certain amount of best practice in language learning which can help you get off to a good start and avoid common mistakes As such in this book we will give some of the language learning advice that has worked best for our students in the past To the extent that this advice provides a model to follow as you begin to discover your own learning style it should prove useful This book will focus on the following French Alphabet and Pronunciation General Greetings Numbers What s today s date Seasons Color and Shapes Family and Animals Gender and Articles Nouns and Pronouns Adjectives Adverbs Conjunctions and Prepositions The present tense in French Past and Future Tenses The Imperative and subjunctive mood and passive voice Conversational Necessities Get to know each other Eating drinking and visiting Creating a Simple Learning Plan Five Things

to Get Right as a Beginner AND MORE French is one of the most widely spoken languages in the world and one of the most appreciated. However many people find it difficult to master this language even at basic levels. This book will help you overcome all of this. What are you waiting for? Grab a copy now and start your journey of learning such an important language that will open a whole new world of travel and acquaintances for you. *Learn French for Beginners* Dupont Language Institute, 2020-12-23. You are about to discover how you can learn to speak French in as little as 7 days even if you've never spoken it before. Boasting an estimate of 235 million speakers, 85 million of them being native speakers, French is the official language in 29 countries and an important business language in Europe, North Africa, Canada, and many rapidly emerging markets. Therefore it makes sense to want to learn it to use it for both business and personal interactions. So where do you start? How do you speak French without sounding like a Google translator? Can you know how to construct logical sentences and phrases in French and probably speak it like the natives even if you've never spoken French before? How can you read and write in French without using a translation tool which often messes up meaning? How can you start using French in everyday conversations without sounding off? If you are passionate about learning French and have these and other related questions, this book is for you, so keep reading as it covers powerful strategies that will get you reading and speaking French in as little as 7 days. It takes the fluff out of the learning process and goes straight to the point, covering the specific things that you actually should learn and master if you are to stand any chance of reading, understanding, writing, and speaking French. More precisely, the book covers French grammar so you know exactly how to construct proper sentences in French. How to use articles and adjectives in French. How to effectively use prepositions in French properly to ensure your statements make sense. How to use pronouns and verbs correctly in French to help you write and speak coherent sentences or statements. How to use numbers in French without sounding like a two-year-old. How to put it all together with words and phrases that you can use in everyday places like in hotels, schools, while traveling, when meeting new people, and in many other everyday situations. And much more. Even if speaking French in 7 days may seem like an impossible feat when you've never spoken French before, the methodology used in this book will prove you otherwise. And the good thing is that it is not hard as the book takes an easy-to-follow, beginner-friendly style to help you put what you learn into action. It has lots of examples and exercises that will literally make you to speak French without trying too hard.
