D. Gordon, 2015-11-02 Man is God's darling the king and crown of creation The whole creation was made for him to develop and rule over and enjoy He is in a class by himself When he made his bad break there was just one thing left to do God must get a new leader for His man to lead him back into all the original plan for himself Of the whole earth man stood next to God Himself God could not find that leader lower down So He went higher Jesus is God giving the race a new Leader who would withstand the lure of temptation and realize the ambition of God's heart for His darling The man was made in the image of God for self mastery and through self mastery for dominion over all of God's creation That was the plan for the man That too is the plan for the new Man There is only one place to go to find God's plan for the coming One That is in the Hebrew half of the Bible One can hardly believe unless he has been through the thing how hard it is to get out of the Old Testament its vision of the coming One without any coloring from the New getting into his eyes It must be kept keenly in mind that there is a difference between God's plan and that which He knows ahead will occur Sovereignty does not mean that everything God plans comes to pass Nor that everything that comes to pass is God's plan Clearly it has not been so It does mean that through very much that is utterly contrary to His plan He works out in the long run His great purpose He works His own purpose out of a tough tangled network of contrary purposes but in doing it never infringes upon man's liberty of action He yields and bends and with a patience beyond our comprehension waits that in the end He may win through our consent And so not only is His purpose saved but man is saved and character is made in the process The plan is a detail of the purpose There is one unfailing purpose through continual breakings of the plan God's purpose remains unchanging through all changes Yet here not only is His purpose unbroken but His plan is to work out in the end unbroken too though suffering a very serious break midway But if Jesus was to lead man back He must first get alongside close up on the same level This was the toughest part

of the whole thing The hardest part in saving a man is getting the man s consent to be saved There is no task tougher than trying to help a man who thinks he doesn t need help even though his need may be extreme You may throw a blanket over a horse s head and get it out of a burning stable or barn or a lasso over a bull s head to get it where you want but man cannot be handled that way He must be led The tether that draws must be fastened inside his will He must be lifted from inside That is a bit of the God image in him And so God s most difficult task was getting inside the man that had shut Him out Contents A Bit Ahead The Purpose of Jesus The Purpose in Jesus Coming The Plan for Jesus Coming The Tragic Break in the Plan Some Surprising Results of the Tragic Break The Person of Jesus The Human Jesus The Divine Jesus The Winsome Jesus The Great Experiences of Jesus Life The Jordan The Decisive Start The Wilderness Temptation The Transfiguration An Emergency Measure Gethsemane The Strange Lone Struggle Calvary Victory The Resurrection Gravity Upward The Ascension Back Home Again Until Study Notes

Quiet Talks about Jesus (a Timeless Classic) S. D. Gordon,2016-08-22 So far as I can find out I have no theory about Jesus to make these talks fit into I have tried to find out for myself what the old Book of God tells about Him And here I am trying to tell to others as simply as I can what I found It was by the tedious twisting path of doubt that I climbed the hill of truth up to some of its summits of certainty I am free to confess that I am ignorant of the subject treated here save for the statements of that Book and for the assent within my own spirit to these statements which has greatly deepened the impression they made and make There is no question raised here about that Book itself but simply a taking and grouping up together of what it says *Quiet Talks about Jesus* S. D. Gordon,2013-08-21 So far as I can find out I have no theory about Jesus to make these talks fit into I have tried to find out for myself what the old Book of God tells about Him And here I am trying to tell to others as simply as I can what I found It was by the tedious twisting path of doubt that I climbed the hill of truth up to some of its summits of certainty I am free to confess that I am ignorant of the subject treated here save for the statements of that Book and for the assent within my own spirit to these statements which has greatly deepened the impression they made and make There is no question raised here about that Book itself but simply a taking and grouping up together of what it says Most persons simply read a book A few study it also It is good to read It is yet better to go back over it and study and meditate Since learning that the two books on power and prayer have been used in Bible classes I have regretted not including study notes in them For those who may want to study about Jesus there has been

added at the close a simple analysis with references The reading pages have been kept free of foot notes to make the reading smooth and easier The analysis is so arranged that one can quickly turn in reading to the corresponding paragraph or page in the study notes **Quiet Talks About Jesus (Illustrated)** S D Gordon,2019-11-19 A CHRISTIAN CLASSIC Quiet Talks About Jesus is a classic Christian book on salvation DETAILS Includes Christian Illustrations **Quiet Talks About Jesus (Classic Reprint)** ,2015-08-04 Excerpt from Quiet Talks About Jesus Show me I pray thee Thy glory Moses When I could not see for the glory of that light Paul But we all with open face beholding as in a mirror the glory of the Lord are transformed into the same image from glory to glory Paul The light of the knowledge of the glory of God in the face of Jesus Christ Paul Since mine eyes were fixed on Jesus I ve lost sight of all beside So enchained my spirit s vision Looking at the Crucified From Winnowed Hymns About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
