Originally stirred up around 2013 on scrap paper juice stained journals Author Message This book finally came to fruition in 2016 after a raucous ride I am pleased to say it was my very first book It is different from the rest of my books because it dawned only when I was just beginning to feel like it was safe enough to shine I just came off the streets of Philadelphia like a cat managed to land on my feet somehow It contains a rather distinct version of the most harrowing part of my life story not for the faint of heart However the pages thereafter are a delightful peruse down the endless isles of imagination leading to all the many ways that ANYONE can heal their demons if you just invite them in for a little sweet tea It is dedicated to all the underdogs of our culture that deserve to now WIN all those who suffer or struggle d with abuse addiction or incarceration their families Essentially this is a guide facilitating the art of holistic recovery via MANUALLY reintroducing the feel good chemicals back into an otherwise special needs brain ravaged by drug or alcohol abuse the like Not to mention FEELING GOOD is how we maintain freedom Deliberately CHOOSING to feel good is the modus operandi of a MASTER MANIFESTOR Gain this skill just by reading Fortified with over 100 colorful images this book is like a cool magazine from cover to cover Looking for ways to become more mindful Look no further All it takes is to be grateful within the details of the moment If you decide to go forth unto the many beautiful pages beautiful feelings that are captured within this book you will see how mindfulness comes naturally It s simple It s easy Words are wands Thoughts become things If you do not have the beautiful feeling faucet flowing by the end of this book you just might be dead inside BookonFire Press InLoveWeTrust
