Holsted, 2018-02-16 A full 75 percent of the Bible is the Old Testament If one of your kids or your coworkers or your friends were to ask you about the Old Testament could you talk knowledgeably about it When you pastor says that your church believes in the Old Testament because the whole Bible is about Jesus can you even imagine what he's talking about In my experience Christians often know stories from the Old Testament or maybe have memorized verses from it but very few would say that they understand it That's where I stood not long ago so I set out to do something about it Frankly without help the Old Testament can be difficult to read let alone understand But with a little guidance you can not only understand it you can appreciate how it harmonizes with the New Testament and you can see how it is so foundational to your faith I put together this book as I earnestly studied my way through the Old Testament My hope is that I have taken hundreds of hours of reading and work and summarized it into a book that can be used by Christians who just don't have hundreds of hours to invest This book combines the best of what I've read and studied about the Old Testament It is part book read it through or select areas of interest from the summaries It is part Bible study guide use the summaries to study or lead a Bible study group It is part commentary use it to complement your Old Testament reading The Old Testament is the story that Jesus completes and the promise that Jesus fulfills Are you willing to invest about an hour per week for a year in order to see how this is true Learn the name nature attributes and character of God Learn biblical principles patterns and promises Learn about Hebrew culture language and history in the context of world history Learn of the prophecies of hope through the Messiah Learn how the Old Testament testifies to Jesus throughout Share this adventure with me Take the first step Start down the path You will find it one of the most fulfilling things you've ever done **The Complete Messianic Aleph Tav**

and include the New Testament **Through the Waters** Caleb S. Lewis, 2024-06-04 Links to the Exodus and the Day of Atonement are found throughout the book of Genesis These links are so pervasive that though often overlooked they are an integral part of the literary strategy of the author of Genesis The goal of Through the Waters is to aid the reader in understanding the book of Genesis as the author intended taking into account its literary and historical features The goal is not only to understand each section of the book of Genesis on its own but also to understand how each section contributes to the book as a unified narrative As each narrative section is explored and explained the presence of the Exodus motif or pattern and what will be referred to as the Two Goats motif will be highlighted As these motifs are understood in the context of the text of Genesis it will be seen how they contribute to the literary structure and to the tensions expectations and hope created by the book of Genesis
