Safety Notice

Raymarine products are intended to be used as aids to navigation and must never be used in preference to sound navigational judgement. Their accuracy can be affected by many factors, including environmental conditions, equipment failure or defects, and incorrect installation, handling or use. Only official government charts, and notices to mariners, contain all the current information needed for safe navigation, and the Captain is responsible for their prudent use. It is the user's responsibility to use official government charts, notices to mariners, caution and proper navigational skill when operating any Raymarine products.

Content Notice

The technical and graphical information contained in this brochure is to the best of our knowledge was correct as it went to press. However, the Raymarine policy of continuous improvement and updating may change product specifications without prior notice. Therefore, considerable differences between the product and this brochure may occur from time to time, for which liability cannot be accepted by Raymarine.

Specifications

All specifications are subject to change without prior notice. Visit www.raymarine.com for the most up-to-date specifications. Some changes are for illustration purposes only.
