variety of unique tastes Some recipes are fast some are not Some are healthy while some are not However if you love cooking and spend a little time on it you can enjoy delicious meals that will keep you happy in your real daily lives Cooking together really helps the time go by fast All the recipes can be doubled tripled halved or quartered to suit your needs We hope you enjoy our labor of love and find some unique recipes to try And some of those vegetarian recipes can easily be altered to include meat and vice versa Experimenting with different cultures and cuisines is an amazing way to come up with your own unique recipes so feel free to mix in your own cultures flavors or your favorite spices We hope you customize and add some of our most loved dishes to your stash of favorite family recipes Savory and Sweet Gold: Edible Gold Recipes for Dazzling Dishes
