

MEETING REQUEST EMAIL TO CLIENT (SAMPLE)

*Clients are tricky, and as such the best way to go about an email in this category is to be concise and straight to the point, stating the purpose of the meeting and how it can benefit the client, also adding contact information in closing the email. It is important not to force a client to wade through unnecessary information that they may not even be patient enough to read through.

(Take note that meetings with clients should not be requested on first contact).
