Sasquatch
Don Hunter, René Dahinden, 1975 *Tracking Sasquatch* Gary Swanson, Wendy Swanson, 2018-03-14 A Bigfoot sized thank you to our growing list of friends who have contributed their stories of Sasquatch sightings and encounters This is the fourth collection of never before printed Bigfoot stories You will notice that the contributors to this book are much more diverse in locations than our prior publications This book has several surprises probably our biggest revelation was from a gentleman who was as amazed as we when he finally opened his great grandfather s personal diary He had left it unread for years allowing for the sadness to lessen and when finally reading the hand written notes he found himself following his great grandfather s encounters with Sasquatch and the contact took place on of all places Oak Island Nova Scotia You will read about Kiekhaefer Mercury Outboards secret test facility at Lake X in Florida and their resident Sasquatch Contributors from the upper Midwest areas of Michigan and Minnesota also reported their experiences Mississippi managed to find room to add another S to its name but this time it stands for Sasquatch Included are many exciting stories from a wide variety of Oregon residents and tourists in areas that the publishers know well A surprising twist to Oregon s most outrageous city turned out to also involve members of a Sasquatch family that city being none other than the infamous Rajneeshpuram a commune of 18 000 worshippers who poisoned a city to sway an election Sasquatch played a big part in the adventures of modern day gold seekers in Oregon s coastal mountains and you can almost re live some of these adventures enough to feel the intense fear when a soccer ball sized rock is thrown by a wild hairy mountain ape as you re running for your life There is also a record of Sasquatch attacking a couple in a wilderness area in Utah and another one interrupting a vacation on a lake in Idaho You ll read about two Bigfoot encounters that took place in Northern California where Sasquatch sightings take place almost as frequently as in Oregon I Gary Swanson had cause to think back to my personal encounter when hiking in a Southern Oregon gold mining area when my recollection became clouded with doubt when my photo failed to accurately show what I knew I had seen and further mental review allowed me to remove all further doubt and to officially declare that I had really seen Sasquatch A member of Oregon s senate once said to a good friend of mine Denny I know what I saw I was stone cold sober and there was this apelike being just 10 yards away facing me Those reddish yellow eyes seemed like they were reading my mind and then it turned and in five seconds I couldn t even hear it running anymore This was a moment so

exciting to me and so amazing I want to tell the world but I can't because I'd never get reelected again I and so many more people feel the same way but until proof is at hand at least we are among very credible friends We hope that you will enjoy the reports as much as we have and we can take comfort in the fact that not everything has been discovered so there are still roads untraveled for us all to take
