Movements Institutions Allegiance traces how the largest religion in the world continues to be expressed in energetic global dynamic forms In contemporary times Christianity is increasingly exposed to divisions not only through its traditional channels Roman Catholic Protestant and the Orthodoxy nor conservative and liberal streams but numerous nuanced articulations This is reflected in the roles of clergy and lay people in organisational dynamics sources of allegiance and articulations of the faith movements of renewal and revivalism syncretic modes and broader relationships with wider cultural trajectories and changing social circumstances Collectively the contributors to this volume offer a comprehensive exploration of these themes The volume is a companion to the Handbook of Global Contemporary Christianity     **Seeking a Sanctuary** Malcolm Bull,Keith Lockhart,2007 The story of a large yet little known Protestant denomination     **Profile of a Religious Man** Edwin Zackrison,2020-11-11 This book is a journey book Sitting down at a computer and producing the story has been a grand trek I have learned that there is a principle in nature that some things need to mellow calm down and soak in The refusal of winemakers to take a wine before its time is a notion I am coming to understand It works with writers as well Like a fetus signaling its mother that it is time to head for the hospital a literary work stays in the mind until its time In my education I have read of the battles of great Church leaders who were eventually thrown out of their churches In my denominational education I was largely led to see them as heretics rebels eccentrics revolutionaries apostates and as generally representing a lower form of spirituality Church education often asked me to surrender my biases in favor of accepting a new set of assumptions my denominational ones We were to be critical of everything except our organization I submit that there is danger in that This book will cover incidents from the first forty years of my life as a religious addict You may find something here that you can identify with     **Half a Century of Apostasy** Russell R. Standish,Colin D. Standish,2006     **The Trinity** Woodrow Wilson Whidden,Jerry Moon,John W. Reeve,2002 Among Seventh day Adventists the doctrine of the Trinity is often taken for granted But increasingly it is opposed by a small minority who have retreated to the anti Trinitarian position of the pioneers In response the authors each a specialist in his field trace the doctrine of the Trinity through Scripture church history and the writings of Ellen G White The first section surveys the biblical foundations of the doctrine and addresses objections that have been raised Other sections trace the development of the doctrine in Christian history in Adventist history and in the writings of Ellen White The authors explain why the doctrine was resisted by many of the leading pioneers The final section asks So what It discusses the theological and practical implications of Trinitarian belief worship and practice showing how it affects what we believe about salvation atonement the great controversy and other significant doctrines With glossaries bibliography and index this comprehensive primer on the Trinity will shed new light on the central beliefs of Christianity and show how God still leads His church into all truth Introduction SECTION ONE The Biblical Evidence for the Full Deity of Christ the Personality of the Spirit and the Unity and Oneness of the Godhead Chapter 1 The Strongest Bible Evidence for the Trinity Chapter 2 The Full and Eternal Deity of Christ Part I The

New Testament Epistles the Old Testament and the Gospels Chapter 3 The Full and Eternal Deity of Christ Part II The Gospel of John Chapter 4 The Personality and Deity of the Spirit and the Triune Oneness of the Godhead Chapter 5 Trinitarian Evidences in the Book of Revelation Chapter 6 Biblical Objections to the Trinity Chapter 7 Logical Objections to the Trinity SECTION TWO The History of the Trinity Doctrine From A D 100 to A D 1500 SECTION THREE Trinity and Anti Trinitarianism From the Reformation to the Advent Movement SECTION FOUR The Doctrine of the Trinity and Its Implications for Christian Thought and Practice Index

*Not One Jot* Fortunat Tshimanga-Mukadi, 2014-08-22 As a common person without any qualification in what people call theology as science and history it is a big challenge for me to discuss in public the very sensible religious matter of Ten Commandments My second challenge and not the least was my weakness in English language Indeed having French as first language I have hesitated to write in French or in English both languages spoken in Canada I opted for English for two reasons Torontonians would be my important readers and there are in large majority English speaking people among the French speaking Ontarians Therefore to reach the large audience I chose English Big challenge is not The other reason is that I attend an English speaking congregation for worship and this would be my first audience as my closest family Why do I write this book and why is it called Not One Jot I had a disorderly youth as I grew up with a widowed mom unable to correct me when needed thus finding myself where my God has brought me now I felt obligated to testify of His Love The only way to be thankful to Him is to preach His Gospel around me to respond to His commission in Matthew 28 19 20 Therefore go and make disciples of all nations baptizing them in 1 the name of the Father and of the Son and of the Holy Spirit and teaching them to obey everything I have commanded you And surely I am with you always to the very end of the age Therefore living in selfish North American culture where we do not have time to listen quietly to your neighbor everyone closed in his corner or always too busy where even the married couples have not enough time for each other and as I do not have the means to have a TV or a radio station to preach and care for my neighbors colleagues friends family members relatives I decided to write this Testimony about the holy Ten Commandment Law of the Creator of the Universe specially the Fourth commandment of the Decalogue which shows clearly that we are not product of the hazard nor are we here by accident Grown up in a Catholic environment until my twenties I myself discovered this Truth as taught in the Holy Bible by reading a book which changed forever my life Here I have to be thankful to my elder brothers who had endured sacrifice to study and finish my degrees which helped me to read and write Without this that book which transformed my life could not have any meaning to me I am not writing this book to offend or belittle any Christian denomination especially those specifically cited in this Testimony Many of those church members love their Creator and would like sincerely to believe the Truth and serve their mighty Creator and infallible Lawgiver if they had opportunity to earnestly study His Word Thus time may come when they will open their heart to the eternal Light and follow the true Way to the eternal Life Neither have I written it to boast myself or to extol those Churches whose members keep the Sabbath as

being the unique ready for heaven for Judas was one of the twelve beside the Messiah more than three years but we know he will not be found there Yes there are many books written in this matter however someone can be interested reading a book only by its title and also more importantly by its author The title Not One Jot emphasizes the idea found throughout the Word of God asking people not to obliterate any of the smallest letter of His Ten Commandment Law no matter how great they are how powerful they pretend to be how intelligent and wise they may be how high their instruction could be how big and rich their church seem to be For these ten statements are the only ones through all the Scriptures written by the mighty and holy Hand of the Creator Herein is discussed the origin the importance and the perpetuity of Gods Ten Commandment Law as the Moral Law of His eternal Government And as Lawgiver and Supreme Legislator He is the only One who

**Christian Remnant - African Folk Church** Stefan Hörschele, 2007-11-30 The growth of Christianity in Africa during the twentieth century is one of the most fascinating shifts in the history of religions This book presents a history of the Tanzanian Seventh day Adventist Church which is representative of this shift in many respects slow beginnings struggles over cultural issues the emergence of a unique church life combining denominational heritage and African elements frictions with governments and the development of popular theology Yet Tanzanian Adventism also exemplifies an important phenomenon which has been given little attention so far the transformation of minority denominations to dominant religions This study breaks new ground in analyzing how the Adventist remnant developed into an African folk church while attempting to remain true to its original ethos

The Bible, Cultural Identity, and Missions Dziedzorm Reuben Asafo, Daniel Kwame Bediako, Daniel Berchie, 2016-04-26 This collection brings together a number of very carefully authored articles that outline practical approaches to three of theology s most intriguing subjects namely The Bible Cultural Identity and Mission Each of these subjects is indispensable to both the astute Christian theologian and Christian since they form the very core of what Christians believe Each contributor explores a unique theme and carefully through academic exactness and contextual experience communicates this without forgetting to employ very basic and familiar cultural analogies to drive home the missionary imperative of the Christian faith

*Mission in Progress* Barden Chirwa, 2020-11-17 Since the establishment of the Seventh day Adventist Church in Malawi in 1902 there is now available much information on the cases narratives and experiences of women that shows the contribution of women to the progress of the SDA mission in Malawi That record reveals a notable increase in the developing role of women in the SDA Church in Malawi blended with both successful and challenging experiences This has prompted the writing of this book My aim is to present a historical record of the developing role of women in the SDA Church in Malawi The purpose is to provide a first critical analysis in a Malawian context of a wider range of biblical and socio cultural issues affecting the role of women in the SDA Church in Malawi

**Dual Religiosity in Northern Malawi** Mlenga, Joyce, 2016-12-13 Over a century much of Africa south of the Sahara embraced the Christian religion Malawi where 80% of the population identify as Christian is no exception nor are the Ngonde at its

northern border with Tanzania While it is difficult to find someone who does not claim to be a Christian African traditional religion is by no means dead and often practiced by many While the two religions are not mixed but they are both realities in many a Christians life though realities of a different kind The author explores the intricate and often varied relationship between the two and considers factors which increase or decrease dual religiosity *Dual Religiosity in Northern Malawi* Joyce Mlenga, 2016-12-13 Over a century much of Africa south of the Sahara embraced the Christian religion Malawi where 80% of the population identify as Christian is no exception nor are the Ngonde at its northern border with Tanzania While it is difficult to find someone who does not claim to be a Christian African traditional religion is by no means dead and often practiced by many While the two religions are not mixed but they are both realities in many a Christians life though realities of a different kind The author explores the intricate and often varied relationship between the two and considers factors which increase or decrease dual religiosity **Interchurch and Interfaith Relations** Stefan Hörschele, 2010 A comprehensive collection of Seventh day Adventist texts and statements on interchurch and interfaith relations With more than 16 million baptized members and about 30 million adherents in total today this church is a global Christian movement It attempts to document a phenomenon found in other less ecumenically inclined denominations as well
