Sugarman, 2019-08-23 The French philosopher Emmanuel Levinas 1906 95 was one of the most original Jewish thinkers of the twentieth century This book interprets the Hebrew Bible through the lens of Levinas s religious philosophy Richard I Sugarman examines the Pentateuch using a phenomenological approach drawing on both Levinas s philosophical and Jewish writings Sugarman puts Levinas in conversation with biblical commentators both classical and modern including Rashi Maimonides Sforino Hirsch and Soloveitchik He particularly highlights Levinas s work on the Talmud and the Holocaust Levinas s reading is situated against the background of a renewed understanding of such phenomena as covenant promise different modalities of time and justice The volume is organized to reflect the fifty four portions of the Torah read during the Jewish liturgical year A preface provides an overview of Levinas s life approach and place in contemporary Jewish thought The reader emerges with a deeper understanding of both the Torah and the philosophy of a key Jewish thinker **Faithful**

Renderings Naomi Seidman, 2010-02-15 Faithful Renderings reads translation history through the lens of Jewish Christian difference and conversely views Jewish Christian difference as an effect of translation Subjecting translation to a theological political analysis Seidman asks how the charged Jewish Christian relationship and more particularly the dependence of Christianity on the texts and translations of a rival religion has haunted the theory and practice of translation in the West Bringing together central issues in translation studies with episodes in Jewish Christian history Naomi Seidman considers a range of texts from the Bible to Elie Wiesel s Night delving into such controversies as the accuracy of various Bible translations the medieval use of converts from Judaism to Christianity as translators the censorship of anti Christian references in Jewish texts and the translation of Holocaust testimony Faithful Renderings ultimately reveals that translation
