

“There are some other possibilities,”
the director claims.

Directions: Read the short story and select *one* character. Describe the story, focusing on specific events. Analyze the character's appearance as a literary character. Explain the significance of your analysis. Use specific evidence from the text to support your analysis.

† The average growth rate is a crude approximation for the rate of change of output. When the growth rate is negative, the approximation is not useful.

10. ¹⁰ "How much more evidence will this provide about the extent to which the people of Missouri will favor the gay, lesbian, and transgender community?" (See <http://www.missouri-nsr.org/pressroom/06-10-2009/0610200901.htm>.) The report "states, using two different methods, that the percent of Missourians who support gay, lesbian, and transgender people is 35%."

8. **What does drywall and sheetrock (joint compound) represent and create within/through your work? What do these two materials offer besides their physical properties? The thickness of each layer will represent part of the "invisible" landscape that is "backgrounded" in relation to the work itself.**

8. Revised the paragraph beginning with "The construction team..." to read: "The construction team..."
