The Almanac of American Education 2014-2015 Deirdre A. Gaquin, Gwenavere W. Dunn, 2015-03-04 The Almanac of American Education helps users understand and compare the quality of education at the national state and county levels Compiled from official U S government and reliable private sources the book contains historical and current data insightful analysis and useful graphs that provide compelling insights into the state of education in America 2014 International Conference on Social Science and and Environment Protection (SSEP2014), 2014-02-11 This conference promises to be both informative and stimulating with a wonderful program Delegates will have a wide range of sessions to choose from and will have a difficult to choose which session to attend The program consists of invited session technical workshop and discussions covering a wide range of topics in social science including communication culture economics education finance law management politics psychology and society This rich program provides all attendees with the opportunities to meet and interact with one another We hope that your experience with SSEP2014 is a fruitful and long lasting one EU Citizenship and Free Movement Rights Sandra Mantu, Paul Minderhoud, Elspeth Guild, 2020-03-31 This collective volume examines how EU citizenship reconstructs in unexpected ways what citizenship as a status means and stands for EU citizenship can neither be accurately described as a citizenship status similar to national citizenship nor as an immigration one The book examines the tension at the heart of attempts to grasp the nature of EU citizenship as supranational status in relation to family reunification social rights and expulsion It shows that while events such as Brexit stress the importance of EU citizenship the construction of supranational citizenship along the axis of non discrimination and equality remains a work in progress that requires the efforts of all actors involved institutions implementing authorities courts and citizens **Citizenship in Question** Benjamin N. Lawrance, Jacqueline Stevens, 2017-02-02 The contributors to Citizenship in Question demonstrate that the line separating citizenship and noncitizenship is ambiguous and inconsistent In case studies analyzing the legal barriers to citizenship rights in over twenty countries the contributors show how states use citizenship requirements to police racial ethnic class and religious difference Citizen Politics Russell J. Dalton, 2018-12-13 The book s combined focus on parties as institutions and systems alongside political attitudes and behaviors is why I use it I have yet to find another text that accomplishes this Meredith Conroy California State University San Bernardino Now more than ever people drive the democratic process What people think of their government and its leaders how or whether they vote and what they do or say about a host of political issues greatly affect the further strengthening or erosion of democracy and democratic ideals This fully updated shorter Seventh Edition of Citizen Politics continues to offer the only truly comparative study of political attitudes and behavior in the United States Great Britain France and Germany In addition to its comprehensive thematic examination of political values political activity voting and public images of government within a cross national context the updated edition of this bestseller explores how cultural issues populism Trump and far right parties are reshaping politics in

contemporary democracies All chapters have been updated with the latest research and empirical evidence Further Dalton includes recent research on citizens political behavior in USA Britain France and Germany as well as new evidence from national election studies in USA 2016 Britain 2017 France 2017 and Germany 2017 **Research Handbook on Secession** Jure Vidmar, Sarah McGibbon, Lea Raible, 2022-12-13 Combining both theoretical and practical insights the Research Handbook on Secession addresses a wide range of legal issues and concepts surrounding secessions It considers both well known examples such as Kosovo and Bangladesh alongside less frequently discussed cases including Somaliland and Palestine The Research Handbook offers state of the art analysis of international law on among other topics statehood secession self determination as well as comparative constitutional perspectives *The People in Question* Jo Shaw, 2021-10-13 Questions of citizenship and the role of constitutions in determining its boundaries are under scrutiny in this judicious and accessible analysis from Jo Shaw **The Good Citizen** Russell J. Dalton, 2020-06-23 There has been a growing chorus of political analysts with doomsday predictions of an American public that is uncivil disengaged and alienated And it s only getting worse with a younger generation of Americans who do not see the value in voting The good news is that the bad news is wrong In this Third Edition of The Good Citizen Russell Dalton uses current national public opinion surveys including new evidence from 2018 Pew Center survey data to show how Americans are changing their views on what good citizenship means It s not about recreating the halcyon politics of a generation ago but recognition that new patterns of citizenship call for new processes and new institutions that reflect the values of the contemporary American public Trends in participation tolerance and policy priorities reflect a younger generation that is more engaged more tolerant and more supportive of social justice The Good Citizen shows how a younger generation is creating new norms of citizenship that are leading to a renaissance of democratic participation An important comparative chapter in the book showcases cross national comparisons that further demonstrate the vitality of American democracy **Thinking of Questions** Peter Limm, 2015-09-23 This is not a conventional book It is designed to stimulate and challenge all people who are curious to find out about the world they inhabit and their place within it It does this by suggesting questions and lines of questioning on a wide range of topics The book does not provide answers or model arguments but prompts people to create their own questions and a reading log or journal To this end almost all questions have a list of books or articles to provide a starter for stimulating further reading Once you start you will be hooked Never stop questioning **"Code of Massachusetts regulations, 2014"** , 2014 Archival snapshot of entire looseleaf Code of Massachusetts Regulations held by the Social Law Library of Massachusetts as of January 2020
