Quicken 2009: The Missing Manual Bonnie Biafore, 2008-09-17

Quicken is a convenient way to keep track of personal finances but many people are unaware of Quicken's power and end up using only the basic features. Sometimes Quicken raises more questions than it answers. Return of capital from stock. Net worth. What are they and why do you need to know about them. Luckily *Quicken 2009: The Missing Manual* picks up where Quicken's help resources leave off. You'll find step by step instructions for using Quicken on your Windows PC including useful features such as budgeting, recording investment transactions and archiving Quicken data files. You also learn why and when to use specific features and which ones would be most useful in a given situation. This book helps you set up Quicken to take care of your specific needs. Follow your money from the moment you earn it. Make deposits, pay for expenses and track the things you own and how much you owe. Take care of financial tasks online and quickly reconcile your accounts. Create and use budgets and track your investments. Generate reports to prepare your tax returns and evaluate your financial fitness. And a lot more. *Quicken 2009: The Missing Manual* accommodates readers at every technical level whether you're a first time or advanced Quicken user. For a topic as important as your personal finances, why trust anything else.

Quicken 2008 For

Dummies Stephen L. Nelson, 2007-12-17 If you've considered using financial software to handle your personal finances,

Quicken 2008 just might be the tool you've been looking for. Quicken is America's top selling personal finance software. It can help you manage the money for both your household and your small business while *Quicken 2008 For Dummies* can help you manage Quicken. With the number of individual bankruptcies at an alarming level, personal financial management needs to be a priority for each of us. You don't have to be an accounting wizard to handle your personal finances on a PC, especially with the friendly, plain English explanations in *Quicken 2008 For Dummies*. Written by a CPA who provides consulting services on accounting and tax planning to small businesses, *Quicken 2008 For Dummies* shows you how to install Quicken and run Express Setup. Handle your checkbook, pay bills and track your income. Monitor and assess your investments. Track loans and credit card activity. Understand how interest compounds and what it costs when you borrow, as well as how it adds up when you invest. Create charts and reports to show how you're doing. Use Quicken to handle your small business finances. Prepare payroll and track accounts receivable and payable. *Quicken 2008 For Dummies* may not make managing your finances exactly fun, but it's guaranteed to make the job easier.
