Quiet Talks On The Crowned Christ Of Revelation:

Quiet Talks about the Crowned Christ Samuel Dickey Gordon, 1914 **Quiet Talks on the Crowned Christ of Revelation** S. D. Gordon, 2019-12-02 In *Quiet Talks on the Crowned Christ of Revelation* S D Gordon delves into the profound theological implications of the Book of Revelation offering readers an intimate exploration of Christ's sovereignty as depicted through vivid imagery and poignant narrative Gordon's literary style is marked by its reflective tone and lyrical prose inviting contemplation on the eschatological themes that permeate the text This work exists in a nexus of early 20th century evangelical literature contributing to discussions on prophecy and Christology during a period characterized by both fervent religious revival and growing skepticism S D Gordon was an influential figure in American Christian thought known for his compelling sermons and writings that sought to elucidate the nuances of faith His deep engagement with scripture and the spiritual turmoil of his time compelled him to address the challenges of understanding Christ's ultimate authority as revealed in a prophetic context Gordon's personal journey of faith marked by a commitment to exploring the divine shapes his accessible yet profound interpretations in this work I highly recommend *Quiet Talks on the Crowned Christ of Revelation* to anyone seeking a deeper understanding of Christ's role in the eschatological narrative Both scholars and lay readers will find Gordon's insights enriching as he elucidates complex theological concepts with clarity and warmth inspiring reflection and fostering a greater appreciation for the reigning Christ

Quiet Talks on the Crowned Christ of Revelation S. D. Gordon, 2015-06-10 The greatest thing anyone can do for God and man is pray It is not the only thing but it is the chief thing The great people of the earth today are the people who pray I do not mean those who talk about prayer not those who can explain about prayer but I mean those people who take time and pray S D Gordon Crowning the Christ is an intensely practical thing whether taken in the personal sense or the world sense He has been crowned in the upper world With wondrous patience and graciousness He pleads for the personal crowning in our lives Some day no one knows just when He will begin to act as the crowned Christ in all the affairs of our earth The initiative of all action to day on the earth is in man's hands Some day the initiative of governing action on the earth will be in the hands of the crowned Christ even while the personal initiative of each man's life will still be in his own hands God is intensely practical Jesus was never concerned about speculation nor mere discussion He was too intent on helping people The Bible is wholly a practical book It is concerned only with helping us It does not tell us all the truth there is we shall be constantly learning more in the future life But it does tell us all we need to know now And its purpose in telling us what it does is wholly practical to urge us to right choice and to lives that square with the choice This is the purpose that decided just what truth should be told in the Book There is one book of the sixty six devoted wholly to this subject of the crowned Christ The Revelation of John Every one of these books touches Him at some angle and finds its deepest meaning in what He was to do and did do and yields up its secrets only under the touch of His hand But this book the closing and climax of all the knot in the end of the inspired thread this deals wholly with

the action of the crowned Christ No book of the sixty six has seemed so much like a riddle and set so many a guessing And without doubt much of its meaning will be clear only as events work themselves out Events will prove the only expositor of much But it is with the deep conviction that this is wholly a practical book written wholly from a practical point of view and concerned wholly with our practical daily lives that I have ventured to take it up in this series of simple wholly practical Quiet Talks And it is only this side of its teachings that will be dealt with here The Book is a street leading into the true overcoming life the Master would woo us to It is only after many years study of this Book of the Revelation and a special study the past three years and a little more that I have ventured to put these talks together And now they are sent out with the earnest humble prayer that others may find some little practical help in prayerfully reading as I have found much in prayerfully studying under the Master s gracious faithful touch
