Quintessential Gospel Of Jesus Christ:

Essential Works of Charles Spurgeon Charles Spurgeon, 2009-06-01 Here's strong Bible teaching that's fun to read. This 1,400-page collection of the best of Charles Spurgeon provides a wonderful overview to the man called The Prince of Preachers. The Baptist minister spoke to thousands each week in nineteenth-century London, and his sermons and books still have a fresh encouraging and challenging power. Featuring scores of Spurgeon's sermons plus complete books like *All of Grace* and *John Ploughman's Talks*. The Essential Works of Charles Spurgeon has been lightly updated for ease of reading. This beautiful hardback is a must-have for under 25. *Holy Word* J. Arthur Baird, 2002-06-01 J. Arthur Baird is the author of several important books in New Testament studies, his best known perhaps being *Audience Criticism and the Historical Jesus*. At his untimely death, he left a nearly complete manuscript, now published here. In this timely and relevant manuscript, Baird offers first a critical introduction to the historical paradigm, pointing out its limitations in terms of tracing the paradigm of New Testament formation. He then traces this development himself, beginning with the starting point of the Holy Word and noting its development through the context, theological interpretation, and application to its manifestation in the apostles, schools, and fathers. He concludes with comments on its current implications. This book represents the last and lasting final thoughts of a scholar who was very much devoted to the importance of the Holy Word.

The Complete Works of C. H. Spurgeon, Volume 11 Spurgeon, Charles H., Volume 11 Sermons 607-667 Charles Spurgeon 19 June 1834-31 January 1892 is one of the church's most famous preachers and Christianity's foremost prolific writers. Called the Prince of Preachers, he was one of England's most notable ministers for most of the second half of the nineteenth century, and he still remains highly influential among Christians of different denominations today. His sermons have spread all over the world, and his many printed works have been cherished classics for decades. In his lifetime, Spurgeon preached to more than 10 million people, often up to ten times each week. He was the pastor of the congregation of the New Park Street Chapel, later the Metropolitan Tabernacle in London, for 38 years. He was an inexhaustible author of various kinds of works, including sermons, commentaries, an autobiography, as well as books on prayer, devotionals, magazines, poetry, hymns, and more. Spurgeon was known to produce powerful sermons of penetrating thought and divine inspiration, and his oratory and writing skills held his audiences spellbound. Many Christians have discovered Spurgeon's messages to be among the best in Christian literature. Edward Walford wrote in *Old and New London*, Volume 6, 1878, quoting an article from the *Times* regarding one of Spurgeon's meetings at Surrey Fancy: a congregation consisting of 10,000 souls streaming into the hall, mounting the galleries, humming, buzzing, and swarming, a mighty hive of bees eager to secure at first the best places and at last any place at all. After waiting more than half an hour for if you wish to have a seat, you must be there at least that space of time in advance. Mr. Spurgeon ascended his tribune. To the hum and rush and trampling of men succeeded a low, concentrated thrill and murmur of devotion which seemed to run at once like an electric current through the breast of every one present, and by this magnetic chain the

preacher held us fast bound for about two hours It is not my purpose to give a summary of his discourse It is enough to say of his voice that its power and volume are sufficient to reach every one in that vast assembly of his language that it is neither high flown nor homely of his style that it is at times familiar at times declamatory but always happy and often eloquent of his doctrine that neither the Calvinist nor the Baptist appears in the forefront of the battle which is waged by Mr Spurgeon with relentless animosity and with Gospel weapons against irreligion cant hypocrisy pride and those secret bosom sins which so easily beset a man in daily life and to sum up all in a word it is enough to say of the man himself that he impresses you with a perfect conviction of his sincerity More than a hundred years after his death Charles Spurgeon s legacy continues to effectively inspire the church around the world For this reason Delmarva Publications has chosen to republish the complete works of Charles Spurgeon

Confessing and Commending the Faith Alan P.F. Sell, 2006-09-01 Since Christianity is a way and not simply a theory commending the faith to others is an activity in which every Christian participates *Confessing and Commending the Faith* discusses the presuppositions which underlie the intellectual commendation of Christianity in the face of the philosophical challenges of the present day Following his earlier books *John Locke and the Eighteenth Century Divines* and *Philosophical Idealism and Christian Belief* Alan Sell proposes a way of proceeding with Christian apologetics in the twenty first century He discusses what Christians wish to proclaim asks whether these claims are reasonable and examines what is involved in the intellectual commendation of the Christian faith *Confessing and Commending the Faith* makes extensive use of the historical tradition of apologetics and brings this work to bear on contemporary questions such as the meaning use and reference of religious language and the question of transcendence in relation to history Alan Sell argues that if the intellectual commendation of Christianity s claim to truth is to be viable contemporary apologetics must draw upon reason revelation and experience to do justice to Christianity s basic confession of Christ as Saviour and Lord
