

REACTION PAPER

Tuesday's with Morrie

Author: Mitch Albom is a newspaper sports reporter and husband whose busy life is filled with work and travel. He has become so absorbed in his work that it consumes his life.

Synopsis:

Morrie Schwartz was Mitch's favorite college professor at Brandeis University. Although sixteen years have passed since that time, he still remembers his graduation day: he says goodbye to Morrie and notices that he is crying as they hug. Mitch promises to stay in touch with Morrie but fails to do so after college.

Morrie has since been diagnosed with amyotrophic lateral sclerosis (ALS), or Lou Gherig's disease.

Sensing that death is near, Morrie begins jotting down his ideas and thoughts onto scraps of paper. He also writes his philosophies on life and death. One of Morrie's friends becomes fascinated with his writings and sends them to a Boston Globe reporter who writes a feature story about Morrie. The story gets the attention of one of the producers of the show Nightline who then does a feature story about Morrie. Mitch happens to see the Nightline show and recognizes his old professor. He calls him to arrange a visit.

During their discussions (every Tuesday for the next few months) they cover many topics, including learning to accept death, loving others and being a better human being. Mitch is so intrigued by Morrie's philosophies that he starts taking notes and even brings a tape recorder to the second visit. He takes time out of his schedule and faithfully visits Morrie every week. The conversations are powerful and very emotional.

With each meeting, Mitch is learning valuable life lessons but sees Morrie becoming increasingly sick.

Book review/Reaction:

Tuesdays with Morrie is a really nice heartfelt book. If you read the book you will start to look at life a different way. You will become more open and start to realize that life is too short. The book will also make you feel the need to keep the promises you make to others. It made me look back on life and realize that the promises I've made to people in the past I could've kept my word on it. Now that I've read the book I've vowed to try my best to keep the promises I make because I don't want to have that feeling that Mitch had when he learned his professor was really ill.

It motivates me to want to do more with others before leaving this earth. Knowing that I'm able to do things like that now makes me feel good inside because I don't want to miss
