**Our Wonderful Judge** Allan Freed, 2019-05-14 It should go without saying that Christ is central to Christianity Most Christians know that He is the means by which God brings human beings back into fellowship with Himself They may also be aware that Christ is our substitute and surety our righteousness and our pattern and example for living What they may not know is that as the sinless second Adam Christ has become the new head of the human race and that in leaving this world He sent His Spirit to complete the adoption process for all who receive Him Gal 4 6 7 And what they also may not know is that Christ is also our Wonderful Judge which is encouraging news headed toward final judgment Allan Freed describes Christ's roles in human redemption how the biblical sanctuary foreshadowed the pathway of reconciliation to God and what the believer must do to cooperate with Jesus as He finishes His heavenly sanctuary ministry He warns about a perilous path promoted by a three part religious union that has declared Protestantism dead and he offers insight to get on and stay on the pathway that will take us home to God **Nuestro Maravilloso Juez (Our Wonderful Judge - Spanish)** Allan Freed, No hace falta decir que Cristo es central para el cristianismo La mayor a de los cristianos saben que l es el medio por el cual Dios trae de nuevo a los seres humanos a la comuni n consigo mismo Tambi n pueden ser conscientes de que Cristo es nuestro sustituto y garant a nuestra justicia y nuestro modelo y ejemplo de vida Lo que quiz s no sepan es que como el segundo Ad n sin pecado Cristo se ha convertido en la nueva cabeza de la raza humana y que al dejar este mundo envi su Esp ritu para completar el proceso de adopci n para todos los que lo reciben G l 4 6 7 Y lo que quiz s tampoco sepan es que Cristo tambi n es nuestro Juez Maravilloso lo cual es una noticia alentadora que se dirige hacia el juicio final Alan Freed describe las funciones de Cristo en la redenci n humana c mo el santuario b blico prefigur el camino de la reconciliaci n con Dios y lo que el creyente debe hacer para cooperar con Jes s cuando termine su ministerio en el santuario celestial Advierte sobre un camino peligroso promovido por una uni n religiosa de tres partes que ha declarado muerto el protestantismo y ofrece informaci n para seguir y permanecer en el camino que nos llevar a casa con Dios Acabo de terminar de leer el manuscrito de Allan Freed Our Wonderful Judge En mi humilde opini n es alimento a su debido tiempo Es b blicamente equilibrado y completo dada su breve extensi n Es fiel a las perspectivas y los escritos de Ellen White Yo u otros pueden haber optado por matizar ciertos conceptos de manera diferente pero la escritura refleja un estudio cuidadoso y una aplicaci n en oraci n por lo que oro para que sea una lectura amplia en la temporada cr tica de la inminente lluvia tard a A n as ven Se or Jes s Dwight Nelson Pastor Pioneer Memorial Church **The Christian Writer's Market Guide 2013** Jerry B. tool for Christian writers      *Campaigns and Elections* Stephen K. Medvic,2013-12-04 Stephen K Medvic s Campaigns and Elections addresses two distinct but related aspects of American electoral democracy both the processes that constitute campaigns and elections and the players who are involved In addition to this balanced coverage on process and actors it also gives equal billing to both campaigns and elections and to contests for both legislative and executive positions at the national and state and local level The book starts by providing students with the conceptual distinctions between what happens in an election and the campaigning that proceeds it Significant attention is devoted to setting up the context for these campaigns and elections by covering the rules of the game in the American electoral system as well as aspects of election administration and the funding of elections Then the book systematically covers the actors at every level candidates and their organizations parties interest groups the media and voters and the macro level aspects of campaigns such as campaign strategy and determinants of election outcomes The book concludes with a big picture assessment of campaign ethics and implications of the permanent campaign      **Seventh-Day Adventism in Africa** Gabriel Masfa,2023-06-16 This book examines the complex history of Adventism in Africa situating it within the context of African traditions and culture From a small movement with origins in the United States the Seventh day Adventist Church has grown worldwide It is one of several Christian denominations present in Africa and yet the history of Seventh day Adventism in the global South has been largely unexplored by scholars The book highlights the discrepancies between western traditions exhibited in the missionary enterprise and African religious systems It also explores the intricate relation between colonialism and African Adventism in line with established studies in African Christianity It will be of interest to scholars of religion and theology particularly church history and mission studies as well as African studies      **The Bible Reading of Young Evangelicals** Ruth H. Perrin,2016-10-04 Young evangelicals in Britain often find themselves at odds with an increasingly secular society and yet the tradition persists and in some places flourishes Sociological studies into the faith of this demographic group are rare yet there is much to be explored as to how their faith functions and how it compares to other groups globally Similarly given the privilege evangelicals afford the biblical text how young believers engage with the ancient Scriptures they understand to be the word of God is particularly significant This work addresses that core question How do young evangelicals make sense of the Bible today Based on qualitative data gathered from three diverse evangelical churches it compares the reading priorities ordinary hermeneutics and theological concerns of young adults Presenting age related focus groups with challenging biblical narratives the study compares strategies for negotiating the texts based on age gender and churchmanship It provides a unique insight into the realities of Bible reading and the faith of Generation Y and gives food for thought not only to those with scholarly interests but also those with a pastoral concern to shape and sustain the Christian faith of young adults in Britain and beyond      Worldviews and Christian Education W. Shipton,2013-08-14 Christs instruction to his disciples was to witness to others about his plan of salvation This may be relatively easy when it involves our contemporaries

and peers But when we are working with people from a different cultural background or belief system it can be difficult or seemingly impossible In Worldviews and Christian Education editors W A Shipton E Coetzee and R Takeuchi have brought together works by experts in cross cultural religious education The authors and editors have a wealth of personal experience in presenting the gospel to individuals with various worldviews that differ greatly from those held by Christians who take the Bible as authoritative They focus on the beliefs and issues associated with witnessing to seekers for truth coming from backgrounds as diverse as animism Buddhism Confucianism Hinduism Islam Marxism Taoism and postmodernism The emphasis is on educational settings but the sensitivities highlighted and lessons learned are applicable to situations outside this area Leaders pastors teachers and laypersons will find valuable conceptual models practical ideas and bibliographic references presented here Worldviews and Christian Education challenges all readers to be faithful to the biblical worldview and to approach everyone with sensitivity so that like the apostle Paul they may reach some
