Photographer's Guide to the Panasonic Lumix LX5 Alexander S. White, 2010-11 Photographer's Guide to the Panasonic Lumix LX5 Getting the Most from Panasonic's Advanced Digital Camera is the third book in a series by Alexander S White His previous guides to the Leica D Lux 4 and Panasonic Lumix LX3 were extremely well received by enthusiasts searching for comprehensive books that explain the features and operation of some of the most sophisticated compact digital cameras being sold today The current book is a detailed resource illustrated

by more than 150 color photographs that covers all operations menus and controls of the Panasonic Lumix LX5 the newest in a line of highly sophisticated yet very portable cameras that are equipped with full manual controls as well as advanced digital technology The book provides detailed guidance to beginning intermediate and more experienced photographers in plain English The photographs illustrate the camera s menus and controls and provide examples of many of the camera s shooting modes and special effects For those who find the documentation provided by the camera s manufacturer to be hard to read and difficult to understand this book fills an information gap and serves as a single source of information to let the photographer derive the maximum benefit from his or her Panasonic Lumix LX5 camera **Conservation Drones** Serge A.

Wich,Lian Pin Koh,2018-05-31 Increasing numbers of ecologists and conservation biologists have begun to explore the use of drone technology to obtain accurate and up to date data on the distribution and density of species as well as the threats to their habitats in their ongoing attempts to conserve and monitor biodiversity Conservation drones are low cost autonomous and operator friendly unmanned aerial vehicles that can be used for surveying mapping and monitoring both habitat and biodiversity They are fast becoming a valuable complement to ground based surveys and satellite imagery for a wide range of ecological and conservation applications The authors pioneered the use of conservation drones for the purpose of monitoring orangutan populations in Southeast Asia They subsequently founded ConservationDrones.org to share their knowledge of building and using drones with colleagues in the wider environmental community This website has proved highly popular and this book aims to further build capacity to use drones and inspire others to adapt emerging technologies for practical conservation
