economies could find useful when pursuing their own power sector planning and policy and strategy formulation **Direct Jurisdiction** Anselmo Reyes, Wilson Lui, 2021-08-26 The second thematic volume in the series Studies in Private International Law Asia looks into direct jurisdiction that is the situations in which the courts of 15 key Asian states Mainland China Hong Kong Taiwan Japan South Korea Malaysia Singapore Thailand Vietnam Cambodia Myanmar the Philippines Indonesia Sri Lanka and India are prepared to hear a case involving cross border elements For instance where parties are habitually resident abroad and a dispute has only some little or no connection with an Asian state will the courts of that state accept jurisdiction and hear the case and if so on what conditions More specifically the book s chapters explore the circumstances in which different Asian states assume or decline jurisdiction not just in commercial matters but also in other types of action such as family consumer and employment disputes The Introduction defines terminology and identifies similarities in the approaches to direct jurisdiction taken by the 15 Asian states in civil and commercial litigation Taking its cue from this the Conclusion assesses whether there should be a multilateral convention or soft law instrument articulating principles of direct jurisdiction for Asia The Conclusion also discusses possible trajectories that Asian states may be taking in respect of direct jurisdiction in light of the COVID 19 pandemic and the political tensions currently besetting the world The book suggests that enacting suitable rules of direct jurisdiction requires an Asian state to strike a delicate balance between affording certainty and protecting its nationals At heart direct jurisdiction involves sometimes difficult policy considerations and is not just about drawing up lists of jurisdictional grounds and exceptions to them
