

The background of the book cover features a 3D visualization of a fluid flow field, likely generated using Particle Image Velocimetry (PIV). The flow is depicted with a color gradient where red and orange represent higher velocity regions, and green and blue represent lower velocity regions. The flow appears to be turbulent and is flowing over a textured, greyish-brown surface that resembles a rough wall or a complex geometry. The overall image has a scientific and technical feel, with a red vertical bar on the left side of the cover.
