Phillips Oppenheim: 72 Novels & 100+ Short Stories (Illustrated Edition) E. Phillips Oppenheim,2023-12-07 E Phillips Oppenheim 72 Novels 100 Short Stories Illustrated Edition is a comprehensive collection that encapsulates the prodigious output of one of the early 20th century s most prolific writers Oppenheim often regarded as the Prince of Storytellers masterfully blends elements of mystery adventure and romance in his narratives which reflect the era s cultural tensions and technological advancements This illustrated edition offers rich visual context alongside Oppenheim s sharp prose providing readers with a dual experience that enhances the thematic depth of his stories from espionage to societal critique Born in 1866 E Phillips Oppenheim s storytelling prowess was arguably shaped by his early career in journalism and his exposure to the dynamic world of British high society His understanding of human psychology and social structures permeated his narratives which often feature complex characters navigating morally ambiguous landscapes The juxtaposition of his fascination with the thrill of adventure and a critique of societal norms suggests Oppenheim s reflective engagement with the changing world around him particularly during the tumultuous years leading up to and beyond World War I I highly recommend this illustrated edition to readers who appreciate historical fiction and the art of storytelling in its classic form Oppenheim s works not only entertain but also provoke thought about human nature and societal values making this collection an essential addition for both literary enthusiasts and casual readers alike **A Real Love at Last** Victoria Leigh Gabriella,2014-10-31 This is the story of a mature love relationship between a man and a woman

in their mid 40s Each of them has been a bit unlucky in love in the past and have almost given up hope of ever finding a real love Becca Connelly is approximately 45 years old gorgeous and an elementary school teacher living in Williamsburg Virginia Tall brown shoulder length hair green eyes and feminine figure She was deeply heartbroken when her marriage ended and has not seen or heard from her ex husband Tripp in fifteen years She has struggles to make it but has rebuilt her life to some degree She has not been with any man since her husband deserted her She does not trust men She does not let anyone but close girlfriends and family into her life She thinks it was her fault that she was abandoned by someone she loved and trusted She had expected to live her entire life with him Divorce was not an option but forced on her unwillingly Michael Stevens has just recently moved to Williamsburg He is tall muscular brown haired gray eyes and gorgeous of course too He has just retired from a career in the Marines He was a Colonel when he left active duty having served all over the country and tours in Iraq and Afghanistan He settles in Williamsburg since the only family he has left is a sister and her family living in Richmond an hour away He buys an expensive colonial brick home for a life he doesn't have as of yet He has never been married only passing relationships that really mean nothing to him at all Michael sees Becca one night in June when she comes into a restaurant while he is having a drink alone at the bar He watches her and wonders about her He sees her ex husband come in and after while figures out that she is meeting her ex to give him back a bracelet she still has Even though Tripp is now on his third wife he makes a move to start things up with Becca Michael sees she is distressed and impulsively goes to rescue her by pretending to be her boyfriend It takes a while but Tripp finally leaves And so it begins *Printers' Ink*, 1921 The Athenaeum, 1897 **The English Illustrated Magazine**, 1896 **Federal Probation**, 1977 **Unity**, 1917 **Bearing Witness While Black** Allissa V. Richardson, 2020-05-08 Bearing Witness While Black tells the story of this century's most powerful Black social movement through the eyes of 15 activists who documented it At the height of the Black Lives Matter uprisings African Americans filmed and tweeted evidence of fatal police encounters in dozens of US cities using little more than the device in their pockets Their urgent dispatches from the frontlines spurred a global debate on excessive police force which claimed the lives of African American men women and children at disproportionate rates This groundbreaking book reveals how the perfect storm of smartphones social media and social justice empowered Black activists to create their own news outlets which continued a centuries long African American tradition of using the news to challenge racism Bearing Witness While Black is the first book of its kind to identify three overlapping eras of domestic terror against African American people slavery lynching and police brutality and explain how storytellers during each period documented its atrocities through journalism What results is a stunning genealogy of how the slave narratives of the 1700s inspired the Abolitionist movement how the black newspapers of the 1800s galvanized the anti lynching and Civil Rights movements and how the smartphones of today have powered the anti police brutality movement This lineage of black witnessing Allissa V Richardson argues is formidable and forever evolving Richardson's own activism as an award winning

pioneer of smartphone journalism informs this text Weaving in personal accounts of her teaching in the US and Africa and of her own brushes with police brutality Richardson shares how she has inspired black youth to use mobile devices to speak up from the margins It is from this vantage point as participant observer that she urges us not to become numb to the tragic imagery that African Americans have documented Instead Bearing Witness While Black conveys a crucial need to protect our right to look into the forbidden space of violence against black bodies and to continue to regard the smartphone as an instrument of moral suasion and social change *Punch* Mark Lemon, Henry Mayhew, Tom Taylor, Shirley Brooks, Francis Cowley Burnand, Owen Seaman, 1919 **Auld Lang Syne** William Dardy, 2025-01-06 This is a book about life Consequently it deals with the passage of time Beginning with the fresh bloom of Spring and ending in cold raw Winter it tracks the recurring circle of the seasons The protagonist Robert Burns named after the Scottish poet was deliberately cast as a reporter so as to provide a way to explore the many facets of common life *Make Me (with bonus short story Small Wars)* Lee Child, 2015-09-08 1 NEW YORK TIMES BESTSELLER Don't miss the hit streaming series Reacher ONE OF THE BEST BOOKS OF THE YEAR Los Angeles Times The Guardian Suspense magazine Stephen King calls Jack Reacher the coolest continuing series character and now he's back in this masterly new thriller from Lee Child Why is this town called Mother's Rest That's all Reacher wants to know But no one will tell him It's a tiny place hidden in a thousand square miles of wheat fields with a railroad stop and sullen and watchful people and a worried woman named Michelle Chang who mistakes him for someone else her missing partner in a private investigation she thinks must have started small and then turned lethal Reacher has no particular place to go and all the time in the world to get there and there's something about Chang so he teams up with her and starts to ask around He thinks How bad can this thing be But before long he's plunged into a desperate race through LA Chicago Phoenix and San Francisco and through the hidden parts of the internet up against thugs and assassins every step of the way right back to where he started in Mother's Rest where he must confront the worst nightmare he could imagine Walking away would have been easier But as always Reacher's rule is If you want me to stop you're going to have to make me [Make Me](#) Lee Child, 2025-10-21 1 NEW YORK TIMES BESTSELLER Don't miss the hit streaming series Reacher ONE OF THE BEST BOOKS OF THE YEAR Los Angeles Times The Guardian Suspense magazine Stephen King calls Jack Reacher the coolest continuing series character and now he's back in this masterly new thriller from Lee Child Why is this town called Mother's Rest That's all Reacher wants to know But no one will tell him It's a tiny place hidden in a thousand square miles of wheat fields with a railroad stop and sullen and watchful people and a worried woman named Michelle Chang who mistakes him for someone else her missing partner in a private investigation she thinks must have started small and then turned lethal Reacher has no particular place to go and all the time in the world to get there and there's something about Chang so he teams up with her and starts to ask around He thinks How bad can this thing be But before long he's plunged into a desperate race through LA Chicago Phoenix and San Francisco and through the hidden parts

Thatcher Charles Moore, 2013-04-25 One of the best political biographies I have ever read Dominic Sandbrook *Sunday Times* *Not For Turning* is the first volume of Charles Moore's authorized biography of Margaret Thatcher the longest serving Prime Minister of the twentieth century and one of the most influential political figures of the postwar era Charles Moore's biography of Margaret Thatcher published after her death on 8 April 2013 immediately supercedes all earlier books written about her At the moment when she becomes a historical figure this book also makes her into a three-dimensional one for the first time It gives unparalleled insight into her early life and formation especially through her extensive correspondence with her sister which Moore is the first author to draw on It recreates brilliantly the atmosphere of British politics as she was making her way and takes her up to what was arguably the zenith of her power victory in the Falklands This volume ends with the Falklands Dinner in Downing Street in November 1982 Moore is clearly an admirer of his subject but he does not shy away from criticising her or identifying weaknesses and mistakes where he feels it is justified Based on unrestricted access to all Lady Thatcher's papers unpublished interviews with her and all her major colleagues this is the indispensable fully rounded portrait of a towering figure of our times Lectures on the History of Moral Philosophy John
