Television & Cable Factbook , 2009 **Changing Channels** Glenn C. Altschuler, David I. Grossvogel, 1992 With weekly sales of 20 million copies TV Guide has had the largest circulation of any magazine in the U S and has dealt for decades with contemporary social and political issues Here is a star studded tour of television history that also chronicle s the publication s more recent moves under the ownership of Rupert Murdoch Photographs *TV Guide* , 2006 **The Blackface Minstrel Show in Mass Media** Tim Brooks, 2019-11-22 The minstrel show occupies a complex and controversial space in the history of American popular culture Today considered a shameful relic of America s racist past it nonetheless offered many black performers of the 19th and early 20th centuries their only opportunity to succeed in a white dominated entertainment world where white performers in blackface had by the 1830s established minstrelsy as an enduringly popular national art form This book traces the often overlooked history of the modern minstrel show through the advent of 20th century mass media when stars like Al Jolson Bing Crosby and Mickey Rooney continued a long tradition of affecting black music dance and theatrical styles for mainly white audiences to its abrupt end in the 1950s A companion two CD reissue of recordings discussed in the book is available from Archeophone Records at www.archeophone.com *National Library of Medicine Audiovisuals Catalog* National Library of Medicine (U.S.), *Copyright Royalty Fees for Cable Systems* United States. Congress. House. Committee on the Judiciary. Subcommittee on Courts, Civil Liberties, and the Administration of Justice, 1985 **TV Cops** Jonathan Nichols-Pethick, 2012-05-04 The police drama has been one of the longest running and most popular genres in American television In *TV Cops* Jonathan Nichols Pethick argues that perhaps more than any other genre the police series in all its manifestations from *Hill Street Blues* to *Miami Vice* to *The Wire* embodies the full range of the cultural dynamics of television Exploring the textual industrial and social contexts of police shows on American television this book demonstrates how polices drama play a vital role in the way we understand and engage issues of social order that most of us otherwise experience only in such abstractions as laws and crime statistics And given the current diffusion and popularity of the form we might ask a number of questions that deserve serious critical attention Under what circumstances have stories about the police proliferated in popular culture What function do these stories serve for both the television industry and its audiences Why have these stories become so commercially viable for the television industry in particular How do stories about the police help us understand current social and political debates about crime about the communities we live in and about our identities as citizens **Making an American Festival** Chiou-ling Yeh, 2023-11-15 This provocative history of the largest annual Chinese celebration in the United States the Chinese New Year parade and beauty pageant in San Francisco opens a new window onto the evolution of one Chinese American community over the second half of the twentieth century In a vividly

detailed account that incorporates many different voices and perspectives Chiou ling Yeh explores the origins of these public events and charts how from their beginning in 1953 they developed as a result of Chinese business community ties with American culture business and politics What emerges is a fascinating picture of how an ethnic community shaped and was shaped by transnational and national politics economics ethnic movements feminism and queer activism This provocative history of the largest annual Chinese celebration in the United States the Chinese New Year parade and beauty pageant in San Francisco opens a new window onto the evolution of one Chinese American community over the second half of the two
