

Opening Prayer For A Family Reunion

Heavenly Father, as we come together for this special family reunion, we bow our heads in gratitude for the gift of family.

We thank You for the bonds that unite us and the shared memories that have shaped us. As we gather from near and far, we ask for Your presence to fill this place with love, joy, and harmony. May Your blessings flow upon each family member present, embracing us with Your grace and peace.

Lord, we acknowledge that our family is diverse, with different personalities, backgrounds, and experiences. Help us to embrace these differences with open hearts, fostering understanding and acceptance. May this reunion be a time of healing, forgiveness, and reconciliation if needed, as we seek to strengthen our relationships and create a lasting legacy of love.

Guide our conversations, laughter, and shared moments, so that they may be filled with genuine connection and warmth.

Grant us patience and wisdom as we navigate any challenges that may arise. Help us to cherish this time together and treasure the love that binds us.

In Your infinite love and mercy, we entrust this family reunion to You, knowing that You are the source of all that is good.

Bless us abundantly, and may our time together be a reflection of Your love. Amen.

Noe,2010-05-14 After the feverish mobilization of secession had faded why did Southern men join the Confederate army Kenneth Noe examines the motives and subsequent performance of later enlisters He offers a nuanced view of men who have often been cast as less patriotic and less committed to the cause rekindling the debate over who these later enlistees were why they joined and why they stayed and fought Noe refutes the claim that later enlisters were more likely to desert or perform poorly in battle and reassesses the argument that they were less ideologically savvy than their counterparts who enlisted early in the conflict He argues that kinship and neighborhood not conscription compelled these men to fight they were determined to protect their families and property and were fueled by resentment over emancipation and pillaging and destruction by Union forces But their age often combined with their duties to wear them down more quickly than younger men making them less effective soldiers for a Confederate nation that desperately needed every able bodied man it could muster Reluctant Rebels places the stories of individual soldiers in the larger context of the Confederate
