Description Includes bibliographical references and index *Intrinsic Motivation* Stefan Falk,2023-02-07 Intrinsic motivation doing a thing for its inherent satisfaction rather than external rewards is the key to success and satisfaction in any endeavor A legendary performance coach shares his simple proven and fun methods for cultivating and keeping it To be productive and optimistic about our personal and professional lives we want to feel that we can understand and influence what is happening around us today and that we have a reliable insight into what will happen tomorrow We also require a rich

supportive and secure social life As more of us work remotely and the frequency of our in person contact decreases this desire for connection and trust has only become more important the social drive is so strong that our body temperature drops when we feel excluded To satisfy our psychological needs in today s professional world we must pursue them consciously and purposefully but unfortunately most of us don t know how to do so effectively Instead we waste our time on ineffective coping strategies that often make us feel even worse The true solution to becoming happier healthier and more productive is to become intrinsically motivated To stop wasting time on activities that don t really contribute to our careers or our company s success eschew the dog eat dog culture of modern business and find ways to take pleasure in what we do and to do it well

Intrinsic Motivation by Stefan Falk is a comprehensive guide to achieving this goal Filled with methods and techniques he developed at McKinsey Company and through 25 years as a senior executive and performance coach working with elite athletes top executives special operators in the armed forces and leaders from all walks of life this book will revolutionize your approach to success at work and beyond
