

these points. This paper will describe how adolescents develop from childhood to adulthood considering their physical, emotional, social, moral, and intellectual development, and how the schooling system either co-education or single sex education help them develop the necessary skills to be successful in life.

Literature Review

Physical Characteristics:

These characteristics refer to certain physical developmental features associated with human growth. This transitional period from childhood to adulthood leaves behind life marking changes that make the adolescents see life differently. For instance, the rapid and uneven body development determines enhanced gross and fine motor skills and biological maturity. In addition, several authors state that both sexes experiment growth spurts, however they occur earlier in girls than in boys (Brown, D., & Knowles, T., 2007; Caskey, M., & Anfara, V., 2007). Such characteristics like accelerated growing of bones compared to muscle changes makes teenagers sometimes be uncoordinated and clumsy. In fact, the adolescents' developmental growth also includes significant increases in height, weight, and internal organ sizes as well as changes in skeletal and muscular systems. This rapid growth could give teenagers a feeling of discomfort and pain due to body development (Caskey, M., & Anfara, V., 2007). There is an increase in the nutritional needs and lethargy due to the hormonal work. Alternatively, adolescents need 9 hours and 15 minutes of sleep every day (Brown, D., & Knowles, T., 2007). Furthermore, both sexes begin to develop secondary sexual features. Girls begin menstruation, their breasts grow and hips enlarge. In the case of boys, they begin to show facial hair and men voices deepen. Their body odor becomes more pronounced that is why these characteristics can

Teaching Writing in Middle and Secondary Schools Jim Blasingame, John H. Bushman, 2005 Teaching Writing in Middle and Secondary Schools provides research based and standards based strategies as well as classroom tested activities all in one book Covering the core fundamentals of exemplary practices in the teaching of writing this book demonstrates writing processes and the use of rubrics with authentic samples taken directly from students writing portfolios Readers are also given valuable information on teaching grammar and spelling curriculum planning service learning and community and parental involvement all through the lens of teaching writing The Other Side of the Report Card Maurice J. Elias, Joseph J. Ferrito, Dominic C. Moceris, 2015-12-14 To better serve the whole child look at the whole report card Although parents and teachers spend more time in conferences talking about behavior than they do about rubrics and test scores too many teachers are still guessing when it comes to using outdated behavior ratings and comments to describe the whole child With this book you ll take report cards to the next level integrating social emotional learning and character development into any grading system Resources include Guided exercises for analyzing existing report cards Suggested report card designs Tips on improving teacher parent communication Case studies Testimonials from teachers and students **Resources in Education** ,2001 *Middle School Journal* ,1988 **Promoting Mental Health and Wellbeing Among Young People** Maj Britt Dahl Nielsen, Susan Andersen, Sigurd Lauridsen, 2025-09-10 Mental disorders account for a large proportion of the disease burden in young people and poor mental health is strongly related to lower educational achievements and labor market attainment and other health problems including substance abuse violence and poor reproductive and sexual health Evidence suggests that the COVID 19 pandemic might have had a negative effect on young people s mental health and knowledge about secular trends in well being and mental health problems is important for planning public health interventions Research on health promotion and preventive interventions remains scarce and the mental health needs of young people are often unmet and research is urgently needed to develop affordable and feasible interventions In Denmark and other countries the mental health of young people has been declining especially in the wake of COVID 19 The main goal of this research topic is to further our understanding of trends in mental health and well being among young people and aid the development of feasible and effective public health interventions This Research Topic welcomes empirical studies including qualitative quantitative and mixed method research design papers and systematic reviews focusing on but not limited to the following sub topics Trends in mental health and well being among young people The impact of COVID 19 on mental health and wellbeing New and emerging risks for mental health and well being for example related to online and mobile technology Barriers to treatment Development of affordable and feasible community based interventions Implementation and effectiveness of preventive and health promotion interventions including universal interventions and interventions targeting vulnerable groups Resources in Education ,1997 *Handbook on Teaching Social Issues* Ronald
