3. SALES PROCEDURES

All sales transactions should follow the approved sales procedure. This includes the identification of potential customers, presentation of products and services, negotiation of terms, finalization of contract, and post-sale follow-up. We encourage a consultative selling approach, understanding the customer's needs, and offering solutions that meet those needs.

Sales targets are set at the beginning of each fiscal year. It is the responsibility of each sales employee to strive to meet or exceed these targets. Regular progress reviews will be conducted and feedback provided to improve performance.
