Outdoor

 You put me at the end of the street and every week you repeat.	 I come in skin paper can be made, but I prefer you use me for some shade.	 I am used to make things or fix things more. Hammers, screwdrivers and nails to name a few.	 Trump me up so I can roll, I could pop if I hit a hole.	 I am the first thing at the door you meet, I am used to clean up your feet.
 Long and thin and coiled like a snake, I'm useful if you are starting to get hot and take.	 If there is something high you need to get, then climb on me and you're all set.	 I am used to cut the grass, I can run on electric but its usually gas.	 Are you having fun with the chair, Next one is where you may find news.	 I come in all shapes and sizes, bricked, rectangular and square. I'm super hard and good for a bench, table or chair.
 I can be L, but usually round, I'm like to point me or throw me around.	 I am used to store tools and keep them dry, I provide safety so batteries don't die.	 I'm a large fan that runs on the outside but I am used to cool on the inside.	 I have four legs but cannot walk and people rest on me to talk.	 I am a type of transport but I am not a car, I have two wheels, two petals and a handlebar.
 I am something that gets you place to place, I am also something people may race.	 I am a guard that goes around your yard.	 When I am lit, I go up in a blaze, If I am really big, I can go for days.	 When you invite someone, your home can be easy to find but only if you give them a driving blind.	 This is a home that's built for a car, This is also where the lawn tools are.
 These are tall or short and colorful to see and very popular with a busy bee.	 This is a house that's built for a car, This is also where the lawn tools are.	 On the ground I can be seen, I get cut and I am the color green.	 Hot dogs, hamburgers, chicken and more, here you will find plenty of food galore.
