partnership of the sage with personified Wisdom to his overall teaching on marriage and family This study provides a detailed
analysis of this connection first by describing the overlapping characteristics of fathers in families and sages among their
students as seen through an examination of Ben Sira s use of metaphorical family language whereby the sage takes the role
of father in the pedagogical setting This study then describes the spousal relationship between the sage and personified
Wisdom particularly as it appears alongside the marital instructions in Sir 23 16 26 18 This study further considers Ben Sira
s privileged social position to influence the religious conviction of next generation Judaism and to strengthen Jewish youth
against rising Hellenistic pressures that may tempt them away from Torah adherence Ben Sira s solution then is found in his
proposed vision of families modeled after his pedagogical setting Finally Ben Sira s teaching is compared to other Second
Temple texts showing the importance of his context for his conception of family and the needs of his time Thus this study
shows the relevance of Ben Sira s teaching for families as well as his distinctiveness among other Jewish texts *Fair Play*
