Natural Environments/Settings

To the maximum extent appropriate, services will be provided in natural environments, including the home, and community settings that are natural or normal for the child's age peers who have no disabilities. Natural environments for young children are those environments/situations that are within the context of the family's lifestyle – their home, their culture, daily activities, routines and obligations. Services will only be provided in settings not identified as the natural environment when it is determined that the desired outcome/s cannot be satisfactorily achieved within the natural environment of this child and family.

The natural environment for _____ includes the following places/settings:
