

Announcing Annual Company Outing or Picnic Letter

Date: January 25, 2021

Dear Employees,

This is to inform you all the company will be organizing the annual picnic on November 1st, 2021 at New Vibes Beach Resort for all the employees.

Just like any other year, this year as well you all are invited to join us for the picnic along with your families. The picnic that was held the last year gave all the employees to interact with each other outside work and relax as they played games and enjoyed the meals. To add more fun to this event, we are also organizing a barbeque evening at the beach along with live music by a popular local band which will be the highlight of the event.

All the employees are requested to participate in the event with their families to make it a great success. You all are requested to confirm your attendance with Ms. Ana Smith, HR Executive and in case, you will not be able to make it, please inform the same to her. The last date to submit your confirmations is January 31st, 2022.

Looking forward to have some good times together.

Regards,

Anthony Gere

Manager

Persuasive Writing Patricia C. Weaver, Robert G. Weaver, 1977

High-technology Crime Kenneth S. Rosenblatt, 1995 This book provides law enforcement investigators corporate investigators prosecutors and corporate counsel with step by step procedures for investigating cases that involve computers The book uses the term high technology crime to identify two types of crime associated with high technology First the term includes new crimes created by society s widespread use of computers for example the crime of breaking and entering into computers flourished after businesses began connecting computers to sophisticated telecommunications networks High technology crime also includes traditional crimes so transformed by computer technology that investigators handling such cases must be familiar with computers and the high technology industry One chapter discusses basic principles common to investigating high technology

crime and three chapters examine the most common high technology crimes theft of components computer intrusion and theft of information These three chapters provide readers including those with no technical background or competence with the necessary technical information to investigate those crimes along with a procedure for doing so An appendix contains a checklist for these investigations The second part of the book examines a growing challenge facing every law enforcement agency in the United States safely and legally obtaining evidence stored within computers Obtaining evidence from a computer without damaging equipment or losing data is just one part of the problem there are also substantial legal hurdles to searching and seizing computer evidence Few courts have applied the Fourth Amendment to searches for computer evidence which means that the law in this area remains unclear Three chapters discuss the legal obstacles to searching and seizing computer evidence and suggest how readers can draft search warrants to surmount those obstacles A diskette contains investigative checklists and sample search warrant language Appended introduction to computer technology and an article on how to protect trade secrets from disclosure during a criminal prosecution along with a sample protective order to be used for that purpose Business and Management Communication Ritch Sorenson, Grace Kennedy, Ida Ramirez, 1997 Appropriate for undergraduate managerial or business communication courses that focus on both writing and speaking It will also be useful in other professional courses that require a communication supplement Effectively presents the skills necessary for written and spoken business communications The basics of both within an easy to follow understandable and short reference book **Microsoft Windows 95 Step by Step** Catapult, Inc, 1995 Here s the perfect book for novice Microsoft Windows users or for those who are upgrading to the newest version Written in a straightforward no nonsense manner with well illustrated step by step examples this book teaches users the ins and outs of the powerful new features in Microsoft Windows Disk contains practice files 1 disk *Master Windows 98 Visually* Ruth Maran, Maarten Heilbron, Paul Whitehead, 1998 This is a step by step task and solution oriented book on beginner to advanced features of Windows 98 It covers how Windows 98 works and discusses how to make real world use of it **The Magazine of Business** ,1915
Hearst's Magazine ,1913 **Popular Mechanics Magazine** ,1924 **Princeton Alumni Weekly** ,1984
